A Practical Approach to Alternative Dispute Resolution will appeal to law students and practitioners looking for a book that deals with the full range of ADR processes. This comprehensive book covers the core topics on the dispute resolution module for the BPTC. Its practical focus highlights the key processes and procedures for each topic.

First Edition e-book only

A Practical Approach to Alternative Dispute Resolution provides a comprehensive and easily digestible commentary on all the major areas of resolution of disputes out of court. Designed to support teaching and learning on the Bar Professional Training Course, it will also be of interest to practitioners who are looking for a clear exposition of the range of ADR processes. Written by an authoritative and highly respected author team, A Practical Approach to Alternative Dispute Resolution contains a range of features designed to enhance the reader's understanding of the key points, including sample documentation, flow diagrams, tables, and examples drawn from a range of different types of practice. Numerous cross-references to relevant websites and further resources are also provided. This fourth edition has been brought fully up to date to reflect current practice and issues affecting ADR. The book's expanded coverage also makes it a suitable text for LLM courses on ADR. Online Resource Centre – Updates to cases and procedures – Useful links for each chapter – Diagrams and figures from the book

This book examines various ADR practices, giving you the information you need to evaluate each technique and successfully apply them. Includes numerous checklists, practice tips and sample agreements.

This document was produced by the authors based on their research for the report "Literacy, Numeracy and Alternative Dispute Resolution," and is an added resource for further information. It contains the appendices: (1) Published statistics on mediation/alternative dispute resolution in Australian courts and tribunals over the period 2002 to 2003; (2) Bodies involved in alternative dispute resolution in Australia; (3) Letter and survey to individual alternative dispute resolution practitioners; (4) Letter and survey to alternative dispute resolution organisations; (5) Individual alternative dispute resolution practitioner participants in the study; (6) Organisations involved in alternative dispute resolution in Australia included in the survey; and (7) Vignettes of mediations involving literacy, numeracy or language difficulties. A list for Further Reading is included. [Additional funding for this report was provided by the Australian Department of Education, Science and Training. [Full Report available at ED494059].]
