This is a list of all Berserk manga releases. It should be noted that in Berserk, traditional manga chapters are episodes; i.e the ~20 page publications commonly referred to as "chapters" in other manga are called "episodes" in Berserk. Chapters are instead various segments of the story containing a range of episodes. Arcs are in turn comprised of chapters, encompassing large, specific ...

Volume 1: His name is Guts, the Black Swordsman, a feared warrior spoken of only in whispers. Bearer of a gigantic sword, an iron hand, and the scars of countless battles and tortures, his flesh is also indelibly marked with The Brand, an unholy symbol that draws the forces of darkness to him and dooms him as their sacrifice. But Guts won't take his fate lying down; he'll cut a crimson swath ...

when a monstrous ogre hits town, a tide of another kind is needed, a mystic flood to wash the town clean. But when Casca and Farnese are carried away by the flood, they become prisoners in the troll's den, where a fate far worse than any imaginable death awaits!

Guts the Black Swordsman just can't seem to find a little peace. On his way to the idyllic tranquility of his miniature pal Puck's homeland of Elfhelm, Guts and his companions, at the behest of a local witch, assist a village beset by a plague of hideous and deadly trolls. Assisted by the witch's disciple, Schierke, the warrior band manages to turn the tide against the beasts, but when a monstrous ogre hits town, a tide of another kind is needed, a mystic flood to wash the town clean. But when Casca and Farnese are carried away by the flood, they become prisoners in the troll's den, where a fate far worse than any imaginable death awaits!

Desperate as Guts, the Black Swordsman, has been to reunite with his former captain and lover, the now-mad Casca, he 's quickly learning that being together is as dangerous as being apart. What should be a simple journey to the safety of Puck 's homeland proves to be a gauntlet of perils, as the Mark of Sacrifice each bears brings the fury of Hell down upon them, and Guts discovers that in his darkest moments he himself is the greatest danger to the woman he loves. Created by Kentaro Miura, Berserk is a fiery manga apocalypse, an ominous omnibus of furious action, fearsome horror, and funereal humor that strikes a power chord in the hearts of its devoted followers and strikes down the rest like a scythe through wheat. Bring in the sheaves!

## Download File PDF Berserk Vol 25

The world of Guts, the Black Swordsman, is changing in a hurry. Though a demonic maelstrom has leveled the dreaded Tower of Conviction and ended the reign of terror of its grand inquisitor, Mozgus, peace has not returned to Midland. The Tower 's fall has heralded the unexpected return of Griffith, Guts former leader, last seen transformed from a shattered husk into one of the demon lords of the Godhand. but Griffith looks like his old self again — and with his dreams of carving out a kingdom by his own hand still intact. He 's raising a new Band of the Hawk, but this time he 's recruiting from the dark side to fulfill his deadly destiny!

Griffith, charismatic leader of the elite mercenary Band of the Hawk, has seen better days. His fearless champion, Guts, has left the Band, defeating Griffith in personal combat as his ticket out. With his judgment clouded by this unthinkable humiliation, Griffith eases his pain in the arms of the daughter of Midland 's king. But the King doesn 't take kindly to an employee picking the royal flowers, and the next stop for Griffith is the dungeon and the torture rack! Without Griffith and Guts, the Hawks become easy prey for Midland 's army, and the AWOL Guts may be the only answer to the Hawks' — and Griffith 's — lethal problems.

The Band of the Hawks ' rescue of their leader, Griffith, has brought them no ease. Broken beyond healing, a frail ghost of his former glory, Griffith is now more an object of pity than a man, and the Hawks, who 've grimly hung together under duress and death during his absence, are now on the verge of splintering to the winds. But Griffith 's dreams and ambitions, built on the bodies of his troops and the countless enemies they

## Download File PDF Berserk Vol 25

have slain, have not gone unnoticed in the spirit realm, and though Griffith has nowhere to go as a man, he may yet have a future . . . a future borne on jet-black wings in the company of the demon lords of the Godhand!

He is Guts, the Black Swordsman, a warrior of legendary prowess — relentless, fearless, merciless. As cold and brutal as the iron of the massive sword he wields. Bent on revenge against the unholy forces that have branded him for sacrifice, but especially on Griffith, one of the demon lords of the Godhand. But Griffith was once a man, the leader of the Hawks, a renowned cadre of elite fighters with a young Guts as its fiercest champion. Though forged in a crucible of cruelty and violence, nothing could prepare Guts for a confrontation with Nosferatu Zodd, a superhuman beast who slaughters Guts' comrades as easily as a scythe cuts wheat. Even Guts and Griffith are no match for the abomination's power...but something Griffith wears around his neck may well be!

Two feudal kingdoms, Midland and Chuder, battle for supremacy in what will become the final clash in a century-long struggle. Spearheading the Midland forces is the Band of the Hawk, a legendary cadre of elite mercenaries led by the charismatic Griffith and with the fearless Guts as its berserker champion. The Hawks' ferocity, courage, and fearsome skills - not to mention Guts' enormous broadsword - are just what Midland needs to turn the bloody tide, but during the fray, Guts and Griffith's most trusted lieutenant, Casca, fall together from a cliff into a raging river. Miraculously, both barely survive, and Guts tends to Casca's wounds as she tells of having her life saved by Griffith, her

## Download File PDF Berserk Vol 25

induction into the Band of the Hawk, and her deep feelings toward Griffith. She even seems to finally be warming up to the grim Guts. But this greeting-card moment won't last long, for Chuder warriors are on the prowl, and the only greetings they carry are on the points of their spears!

The century-spanning war between Midland and Chuder continues unabated. The two warring kingdoms, vying for supremacy, launch headfirst into what will become the final battle. Leading the Midland forces are the Band of the Hawk, lead by the charismatic Griffith, with the fearless Guts as his trusted champion. But should the Hawks triumph again on the battlefield, the war with Chuder may end, but the secret war within Midland may begin as those who seek to rise within the court see the ambitious Griffith as an obstacle to obtaining power. And nothing is more formidable than an enemy unseen!

Deep within the nightmare realm of Casca's dreams, Schierke and Farnese battle endless horrors to reach the dark secret that has imprisoned Casca's mind for so long. But the dreamworld dangers are no mere phantasms of the unconscious--they are a lethal reality to the intruders from the material world! From creator Kentaro Miura comes the latest chapter of Berserk, a sprawling adult fantasy epic of horror, humor, and fierce imagination and the inspiration for the wildly popular anime series.
