This updated edition of Nonprofit Governance: The Executive's Guide expands the scope of its popular predecessor to address issue relevant to both directors and managers of nonprofit.

The Companies Act, 2013 has enforced sweeping changes to the mind-set of corporate and their managers alike. Codified roles and responsibilities, higher penalties, disclosures have made the position of directors more demanding. As one moves along with complying with the letter and spirit of law, there may be many questions which are not answered by the relevant section itself. A plethora of rules, notifications, case laws and standards of the ICAI and ICs also need to be looked into. With this background, the book takes a comprehensive approach to understand the requirements of the Office of a director, his roles, responsibilities, liabilities in the light of the relevant sections, decided cases and the applicable Secretarial standards, when it comes to procedural aspects like Board and Committee meetings. For ready reference updated rules for appointment and management of directors, key managerial personnel, meeting of Board and its powers, the Companies (Amendment) Bill, 2016, Exemption notification for government and private companies, SEBI (LODs) and SS-1 have been provided as appendices. To further help our readers navigate their way in the daily performance of corporate actions a separate br>Chapter on resolutions has also been carved out. About the author corpse is a br>mid-sized consulting firm with diverse professionals having significant industry insights & exposure with global brands. We ensure to provide customized solutions to clients and ensure quality services throughout the business life cycle.

Fundamentals of Corporate Accounting has been designed as per the CBCS syllabus prescribed by University of Calcutta and other allied universities of West Bengal. The book is primarily intended for third year B.Com students but would also be useful for students of professional courses. The content has been presented in a systematic manner (theory-illustrations-practice problems) with elaborate explanation on core topics. The Companies Act, 2013, along with recent amendments and rules, and the latest Accounting Standards have also been explained in detail. Abundant Solved Examples, illustrations with detailed working notes, previous years' questions and solutions, and practice questions will greatly benefit the students and help them master the subject.
