Page, Elon Musk, Richard Branson, and Jeff Bezos and reveals their entrepreneurial secrets. Finally, Bold closes with a look at the best practices that allow anyone to leverage today's hyper-connected crowd like never before. Here, the authors teach how to design and use incentive competitions, launch million-dollar crowdfunding campaigns to tap into tens of billions of dollars of capital, and finally how to build communities—armies of exponentially enabled individuals willing and able to help today's entrepreneurs make their boldest dreams come true.

Offers readers a how-to guide for harnessing the power of exponential technologies, moonshot thinking, and crowd-powered tools to create wealth while also positively impacting the lives of billions.

The authors document how four forces--exponential technologies, the DIY innovator, the Technophilanthropist, and the Rising Billion--are conspiring to solve our biggest problems. "Abundance" establishes hard targets for change and lays out a strategic roadmap for governments, industry and entrepreneurs, giving us plenty of reason for optimism.

boost An ideal gift for those who need encouragement, as well as graduates getting ready for a new phase

We live in tough times, and it seems many are unhappy with their circumstances in society, at work, or at home. Instead of taking action, we complain and wait for someone else to do something about it. Instead of changing ourselves, we hope others will take responsibility. Instead of actively living our dreams, we wait for the perfect moment. Unfortunately, that moment will never come. Author Ilja Grzeskowitz has declared war on this passive wait-and-see approach. In *Think it. Do it. Change it.*, he offers a plan for overcoming the fear of change. Grzeskowitz, who helps organizations all over the world to create a culture of change, details his step-by-step approach to dreaming big, acting boldly, and getting the results you want. He shows you how motivation really works, why the fear of change is actually your best friend, and which two words have the potential to change your entire life. Grzeskowitz reveals the biggest motivational myths, announces the comeback of values, and shows you the most important characteristic that will help you to actively implement the necessary changes in business and in life. *Think it. Do it. Change it.* helps you live a life characterized by possibilities rather than limitations.

'Enthralling' PHILIP PULLMAN 'Such a hopeful book' ELIZABETH DAY 'Miliband is clear that we live in an age where it is movements of people, not politicians, that change the world' Guardian 'Self-deprecating and relentlessly upbeat ... Miliband is right' Telegraph 'GO BIG should be the rallying cry of progressives around the world' RUTGER BREGMAN Good news: the solutions to our problems already exist. Great news: a once-in-a-generation appetite for change means we can make them happen. - How do we provide affordable housing for everyone? - How do we rein in the power of Big Tech? - How do we tackle the climate crisis? - How do we really give people back control? For the past four years, Ed Miliband has been discovering and interviewing brilliant people all around the world who are successfully tackling these problems, transforming communities and pioneering global movements. From a citizens' assembly in Mongolia to the UK's largest walking and cycling network in Greater Manchester, from flexible working in Finland to the campaign for the first halal Nando's in Cardiff, Go Big draws on the most imaginative and ambitious of these ideas to provide a vision for how to remake society. The challenges we face are daunting, but in Go Big he shows that the scale of what is possible is far greater. We are at a rare
