In a powerful, smoldering novel from the bestselling authors of the Caldwell Brothers series (Bad boy heroes to die for!Tracy Wolff), two tortured souls team up to overcome the past, finding the courage to heal . . . and to love. Jason Cobral Stanley was born to fight. With a father like his, he had to toughen up just to survive. Now Cobra tries to take out all of his frustration, all of his anger, and all of his pain in the MMA cage. But after he receives one too many hits to the head during a match, the cycle of violence comes to a screeching halt. Cobra wakes up in the hospital, under the care of a nurse whose blond hair shines like a halo and whose pure heart touches him on the deepest level. Lorraine Bosch is a fighter too. The lone survivor of a chilling family tragedy, she prides herself on remaining professional, despite the chaos of the ER. But Cobra is the ultimate distraction. Lorraine knows she should run away screaming from his rippling muscles and shattered psyche. And yet how can she deny this broken man a second chance?especially since she knows exactly what he's been through? Lorraine's used to playing guardian angel. Now it's her turn to find heaven in Cobra's arms. Praise for Visibly Broken "When I go into a book hating the hero, and then by the end of the book love him, I know I have found an exceptional read."Ryan Michele, author of the Ravage MC & Vipers Creed MC Series "Can you be the light to someone's dark? Can a new start help kill the demons of the past? Chelsea Camaron and M.J. Fields deliver a TKO with this book. Cobra takes my breath away."S.M. Donaldson, author of the Marco's MMA Boys Series "Chelsea Camaron and MJ Fields deliver another tormented, sizzling couple that grabs readers' hearts and boils our desire."Rochelle's Reviews "I loved every second. . . Thank you Chelsea Camaron and MJ Fields for telling Cobra and Lo's story. Although heartbreaking as it was, it was well worth the read."Twinsie Talk "Brilliant read."Best Book Boyfriends "Wow. . . I love being surprised and this story got me. The feels, the constantly being on edge, the need for more, the rawness of the main characters. Just wow!"Once Upon an Alpha "The epilogue was what got me. I was crying at the end."Life of a Crazy Mom "Visibly Broken is a gritty and raw romance with dark and dangerous undertones. . . The romance is passionate and intense [with] two people caught up in the violence of an ugly and distressing world."The Reading Cafe Includes an excerpt from another Loveswept title.

"This intimate, moving, and timely collection of essays points the way to a world in which the burden of grief is shared, and pain is reconfigured into a powerful force for social change and collective healing." "Astra Taylor, author The People's Platform "A primary message here is that from tears comes the resolve for the struggle ahead." "Ron Jacobs, author of Daydream Sunset "Rebellious Mourning uncovers the destruction of life that capitalist development leaves in its trail. But it is also witness to the power of grief as a catalyst to collective resistance." "Silvia Federici, author of Caliban and the Witch We can bear almost anything when it is worked through collectively. Grief is generally thought of as something personal and insular, but when we publicly share loss and pain, we lessen the power of the forces that debilitate us, while at the same time building the humane social practices that alleviate suffering and improve quality of life for everyone. Addressing tragedies from Fukushima to Palestine, incarceration to eviction, AIDS crises to border crossings, and racism to rape, the intimate yet tenacious writing in this volume shows that mourning can pry open spaces of contestation and reconstruction, empathy and solidarity. With contributions from Claudia Rankine, Sarah Schulman, David Wojnarowicz, Leanne Betasamosake Simpson, David Gilbert, and nineteen others. Cindy Milstein is the author of Anarchism and Its Aspirations, co-author of Paths toward Utopia: Graphic Explorations of Everyday Anarchism, and editor of the anthology Taking Sides: Revolutionary Solidarity and the Poverty of Liberalism.

The first and only book containing a comprehensive history of washing machines. Included are over 200 color pictures of washers dating from the early 1800s. A description of the many and varied types of machines along with picture examples is given. Also included are discussions on finding antique washers, restoration, patent descriptions, advertising, safety issues and the companies which manufactured washers.
