The Abolition of Man is a 1943 book by C. S. Lewis. Subtitled "Reflections on education with special reference to the teaching of English in the upper forms of schools," it uses that as a starting point for a defense of objective value and natural law as well as a warning of the consequences of doing away with or "debunking" those things. It defends science as something worth pursuing but ...

The Four Loves is a 1960 book by C. S. Lewis which explores the nature of love from a Christian and philosophical perspective through thought experiments. The book was based on a set of radio talks from 1958 which had been criticised in the U.S. at the time for their frankness about sex.

The Four Loves - Wikipedia

Although Clive Staples Lewis (1898-1963) – known as 'Jack' to his friends and family – is best-known for his seven children's fantasy novels set in the land of Narnia, C. S. Lewis wrote a number of other works – fiction and non-fiction, science fiction and literary criticism – which have become classics in their field.

brings together Lewis's legendary broadcast talks of the war years, talks in which he set out simply to 'explain and defend the belief that has been common to nearly all Christians at all times.' Rejecting the boundaries that divide Christianity's many denominations, C.S. Lewis provides an unequalled opportunity for believers and nonbelievers alike to hear a powerful, rational case for the Christian faith. This scintillating collection confirms C.S. Lewis's reputation as one of the leading writers and thinkers of our age.

Novelist, poet, critic, lay theologian, and best-selling author of the 'Narnia' series, C. S. Lewis' works have become timeless classics for adults and children around the world. Here in one concise volume is the essence of his thought on subjects ranging from love and faith to ethics and morality and myth and literature that will throw open the windows of the soul and provide readers with bite-sized nuggets of wisdom and inspiration from one of the best-loved writers of the 20th century. This lovely little gift book will provide sustenance, wisdom, and hope for both believers and seekers. And, most importantly, it will provide an entry point for those unfamiliar with Lewis that will make them want to explore his fiction and nonfiction works. Selections from C.S. Lewis' Little Book of Wisdom: "If God had granted all the silly prayers I've made in my life, where should I be now?" "Surely arrested development consists not in refusing to lose old things, but in failing to add new things..." "Do not dare not to dare." "We are mirrors whose brightness is wholly derived from the sun that shines upon us." "I didn't go to religion to make me happy. I

always knew a bottle of Port would do that. If you want a religion to make you feel really comfortable, I certainly don't recommend Christianity."

Written after his wife's tragic death as a way of surviving the "mad midnight moment," *A Grief Observed* is C.S. Lewis's honest reflection on the fundamental issues of life, death, and faith in the midst of loss. This work contains his concise, genuine reflections on that period: "Nothing will shake a man -- or at any rate a man like me -- out of his merely verbal thinking and his merely notional beliefs. He has to be knocked silly before he comes to his senses. Only torture will bring out the truth. Only under torture does he discover it himself." This is a beautiful and unflinchingly honest record of how even a stalwart believer can lose all sense of meaning in the universe, and how he can gradually regain his bearings.

An ebook compilation of inspirational writings, featuring seven classic works in one high quality, fully searchable edition:

A repackaged edition of the revered author's classic work that examines the four types of human love: affection, friendship, erotic love, and the love of God—part of the C. S. Lewis Signature Classics series. C.S. Lewis—the great British writer, scholar, lay theologian, broadcaster, Christian apologist, and bestselling author of *Mere Christianity*, *The Screwtape Letters*, *The Great Divorce*, *The Chronicles of Narnia*, and many other beloved classics—contemplates the essence of love and how it works in our daily lives in

one of his most famous works of nonfiction. Lewis examines four varieties of human love: affection, the most basic form; friendship, the rarest and perhaps most insightful; Eros, passionate love; charity, the greatest and least selfish. Throughout this compassionate and reasoned study, he encourages readers to open themselves to all forms of love—the key to understanding that brings us closer to God.

A forceful and accessible discussion of Christian belief that has become one of the most popular introductions to Christianity and one of the most popular of Lewis's books. Uncovers common ground upon which all Christians can stand together.

Strongly divided evaluations of C.S. Lewis's work persist today based on his perspectives and writings on religion, particularly Christianity. Those who approve tend to see his work as of value primarily because it gives his academic and cultural value to his advocacy of Christianity. Conversely, those who disapprove of that advocacy tend to see the worth of his writing as vitiated by his apologetic agenda. Wesley Kort's book sets a new standard in C.S. Lewis studies, arguing for an alternative perspective that considers Lewis's work as a whole, investigating why and at what points Lewis turns to religion generally and to Christianity particularly in order to advance his arguments. This book provides a captivating look into the many cultural, academic, and literary contexts that influenced his many texts. The book examines the standing of Lewis's work, how best to approach his work, as well as the understandings that lead to mistaken readings of him. This indispensable C.S.

Lewis resource comments separately on each of more than a dozen of Lewis's major books, connecting readers to the particular literature, religion, and philosophy of C.S. Lewis. These commentaries are free-standing essays, analyses and interpretations of texts that can be read individually and in any order. Scholars and fans of C.S. Lewis will appreciate Kort's commentary and guide to the texts in this new light.

In this humorous and perceptive exchange between two devils, C. S. Lewis delves into moral questions about good vs. evil, temptation, repentance, and grace. Through this wonderful tale, the reader emerges with a better understanding of what it means to live a faithful life.

An important revision and expansion of the earlier collection of Lewis's letters. Entries from Lewis's diary are included, as is Warnie Lewis's memoir of his brother's life. Edited by Walter Hooper and W. H. Lewis; Introduction by Hooper; Index.

C.S. Lewis' novel, *The Great Divorce*, about a man who takes a bus trip from Hell to Heaven, is full of fascinating characters and conversations. *C.S. Lewis Goes to Heaven* is the first book dedicated to exploring this story, revealing many important secrets that have gone undetected since its publication in 1946. Discover how leaving a train station in the wrong direction provided Lewis a model for Hell. Learn the real names of an Impressionist painter and a famous detective writer that Lewis placed (anonymously) in Hell. With considerable detective work of his own, David Clark carefully expands ideas

found in *The Great Divorce* using supporting references from Lewis' personal correspondence and other books, particularly *Mere Christianity*, *The Screwtape Letters*, *Surprised by Joy* and *Letters to Malcolm*. * * * Clark looks at the story through three different lenses. First, he introduces the characters and their interactions chapter by chapter, including a brief narrative so readers new to Lewis will feel at home. Second, he reveals how even the book's landscapes convey the theology of Lewis. Then the author comes "alongside" Lewis, explaining his theological ideas and insights, showing their far-reaching implications, and providing scriptural references. By these three approaches, the astonishing grasp of Lewis' theology is revealed in accessible language. The book concludes with three appendices, including 40 pages of historical character sketches, literary references, and concepts. * * *

Considering that Lewis himself thought it surpassed his classic book, *The Screwtape Letters*, it's regrettable that *The Great Divorce* has been neglected for so long. Now for the first time, there is a comprehensive guide to help readers appreciate this profound and entertaining novel, and be awestruck by the grace of God it reveals. * * * "If you want a great guide to *The Great Divorce*, you can't do better than David Clark, who introduces readers to a host of fascinating historical and literary characters - illuminating this popular novel with theological insight and devotional delight. Clark's tour of C. S. Lewis' version of Heaven and Hell provides a truly refreshing holiday." * * * Terry Lindvall, author of *Surprised by Laughter: The Comic World of C.S. Lewis*
