Elizabeth of York 1466-1503

(UPDATED) Cecily Neville Mother Of
Richard

Cecily Neville (3 May 1415 – 31 May 1495) was an English noblewoman, the wife of Richard, Duke of York (1411–1460), and the mother of two kings of England, Edward IV and Richard III. Cecily Neville was known as "the Rose of Raby", because she was born at Raby Castle in Durham, and "Proud Cis", because of her pride and a temper that went with it, although she was also known for her piety. She herself signed her name "Cecylle".

On the political stage of fifteenth-century Britain England. Mythologically rumoured to have been known as 'the Rose of Raby' because of her beauty and her birth at Raby Castle, and as 'Proud Cis' because of her vanity and fiery temper, Cecily's personality and temperament have actually been highly speculated upon. In fact, much of her life is shrouded in mystery. Putting aside Cecily's role as mother and wife, who was she really? Matriarch of the York dynasty, she navigated through a tumultuous period and lived to see the birth of the future Henry VIII. From seeing the house of York defeat their Lancastrian cousins; to witnessing the defeat of her own son, Richard III, at the battle of Bosworth, Cecily then saw one of her granddaughters become Henry VII's queen consort. Her story is full of controversy and the few published books on her life are full of guess-work. In this

Download Ebook Cecily Neville Mother Of Richard

Highly original history, Dr John Ashdown-Hill seeks to dispel the myths surrounding Cecily using previously unexamined contemporary sources.

Discover the true story of Richard III's mother, one of her era's great survivors

Known to be proud, regal and beautiful, Cecily Neville was born in the year of the great English victory at Agincourt and survived long enough to witness the arrival of the future Henry VIII, her great-grandson. Her life spanned most of the fifteenth century. Cecily's marriage to Richard, Duke of York, was successful, even happy, and she travelled with him wherever his career dictated, bearing his children in England, Ireland and France, including the future Edward IV and Richard III. What was the substance behind her claim to be 'queen by right'? Would

III
She indeed have made a good queen during these turbulent times? One of a huge family herself, Cecily would see two of her sons become kings of England, but the struggles that tore apart the Houses of Lancaster and York also turned brother against brother. Cecily's life cannot have been easy. Images of her dripping in jewels and holding her own alternative 'court' might belie the terrible heartache of seeing her descendants destroy each other. In attempting to be the family peacemaker, she frequently had to make heart-wrenching choices, yet these did not destroy her. She battled on, outliving her husband, friends, rivals and most of her children, to become one of the era's great survivors.

This is the first scholarly biography of Cecily Neville, duchess of York, the mother of Edward IV and Richard III. She

Download Ebook Cecily Neville Mother Of Richard

It was said to have ruled Edward IV 'as she pleased' and Richard III made his bid for the throne from her home. Yet Cecily has been a shadowy figure in modern histories, noted primarily for her ostentatious piety, her expensive dresses, and the rumours of her adultery. Here J. L. Laynesmith draws on a wealth of rarely considered sources to construct a fresh and revealing portrait of a remarkable woman. Cecily was the only major protagonist to live right through the Wars of the Roses. This book sheds new light on that bloody conflict in which Cecily proved herself an exceptional political survivor. Skilfully manipulating her family connections and contemporary ideas about womanhood, Cecily repeatedly reinvented herself to protect her own status and to ensure the security of those in her care. From her childhood marriage to Richard duke of York until her final decade as grandmother

Download Ebook Cecily Neville Mother Of Richard

Of the first Tudor queen, the story of Cecily Neville's life provides a rich insight into national and local politics, women's power and relationships, motherhood, household dynamics and the role of religion in fifteenth-century England.

The forgotten story of Cecily Neville, Duchess of York. A strong woman who claimed the throne for her family in a time of war... 'A compelling story of divided loyalties and family betrayals. Dramatic and highly evocative' *Woman & Home*

The Wars of the Roses, which tore apart the ruling Plantagenet family in fifteenth-century England, was truly a domestic drama, as fraught and intimate as any family feud before or since. But as acclaimed historian Sarah Gristwood reveals, while the events of this turbulent time are usually described in terms of the

“sweep you along with the story, and make you fall in love with the characters.” In Cecily Neville, duchess of York and ancestor of every English monarch to the present day, she has found her most engrossing character yet. History remembers Cecily of York standing on the steps of the Market Cross at Ludlow, facing an attacking army while holding the hands of her two young sons. Queen by Right reveals how she came to step into her destiny, beginning with her marriage to Richard, duke of York, whom she meets when she is nine and he is thirteen. Raised together in her father’s household, they become a true love match and together face personal tragedies, pivotal events of history, and deadly political intrigue. All of England knows that Richard has a clear claim to the throne, and when King Henry VI becomes unfit to rule, Cecily must put aside her hopes and fears and help her
