The state of Canadian politics is in constant flux. Current and recent issues and events have led to a host of changes in the way politics is done in this country and there are no signs of this trend coming to an end. In *Continuity and Change in Canadian Politics*, Hans J. Michelmann and Cristine de Clercy, along with some of the leading names in Canadian political scholarship, provide a many-sided assessment of contemporary Canadian government and politics to honour the career of their eminent colleague, David E. Smith. The contributors to this collection address a range of policy sectors and institutional features. These include the changing constitution, the senior civil service, the impact of NAFTA, federal-provincial relations, unilateralism in social policy, Aboriginal self-government, citizenship and immigration policies, coalition governments, agriculture, and, of course, Smith's impact on the political

scholarship of Western Canada. *Change and Continuity in Canadian Politics* gets to the heart of key issues and provides important insights into contemporary Canadian government and politics.

Contributors: Christine de Clercy Ken Coates Thomas J. Courchene Joseph Garcea Roger Gibbons Brooke Jeffrey Gregory P. Marchildon Hans J. Michelmann Éric Montpetit Greg Poelzer Peter H. Russell Donald J. Savoie Grace Skogstad

This volume is a detailed and up-to-date reference work providing an authoritative overview of the main issues in higher education around the world today. Consisting of newly commissioned chapters and impressive journal articles, it surveys the state of the discipline and includes the examination and discussion of emerging, controversial and cutting edge areas.

With nearly 600 cross-referenced entries, *The Language of Canadian Politics* offers brief essays on the many facets of the Canadian political system, including institutions, events, laws, concepts, and public policies. Concisely written, it is an important resource for people interested in contemporary politics, as well as those interested in the historic context of contemporary political behaviour. Readers not familiar with Canadian government and politics will find the book an invaluable introduction; others will welcome this updated indispensable reference. The fourth edition builds on the strengths of earlier editions. Almost every entry has been revised to reflect contemporary Canadian political events, and many new ones have been added. The results and immediate aftermath of the 2006 federal election are included in various updated entries. There are entries on the merged Progressive Conservative and Canadian Alliance parties as well as new entries on the Anti-Terrorist Act, the Public Safety Act, and the Council of the Federation. The Sponsorship Scandal and the Gomery reports are included in several entries. There is new information on National Security Certificates, and the O'Connor inquiry into the "extraordinary rendition" of Maher Arar comprises part of the revised material on commissions of inquiry. As a further resource, Internet sites have been added to many of the entries.

The demand and the costs for higher education have risen steeply in recent years. The most common response worldwide has been some form of cost sharing: shifting per-student costs from governments and taxpayers to parents and students. This timely book provides a comprehensive discussion of the concepts and consequences of cost-sharing in higher education. It offers a comparative approach based on several national case-studies, and proposes alternatives to prevalent approaches.
