Essays on food and language from the Proceedings of the Oxford Symposium on Food and Cooking 2009.

Using an original mode of presentation, the 'textbite', this book seeks to approach the French vocabulary from as many angles as possible - showing how French words are constructed, the difficulties inherent in defining a word, the relationships words enter into, their origins, and recent trends in word formation. Examples and exercises are provided throughout.

Carl Marletti, meilleur pâtissier 2009 et déjà primé pour son millefeuille, son fraisier ou sa tarte au citron, met dans ce livre sa technique à la portée de tous. Apprenez avec lui à réaliser tous les grands classiques de la pâtisserie française dans les règles de l'art. Paris-brest, millefeuille, tarte au citron, fraisier, éclair, saint-honoré, cake à l'orange, crème anglaise. Il propose également des recettes plus contemporaines et même quelques recettes tombées dans l'oubli qu'il remet par son talent au goût du jour (polonaise, riz de l'impératrice...).

Named the top shopping destination in the United Kingdom outside of London, "Glasgow is a must-see destination...a mandatory stop on everyone's European travel itinerary" (The Philadelphia Inquirer) and Edinburgh has long been considered one of the most hospitable cities in Europe. This book has eleven walks—seven in Edinburgh and four in Glasgow—taking shoppers to the most charming and unique stores in both cities, which are less than an hour away from each other by train. The shops included offer cashmere, hats, shoes, books, handcrafted soaps and natural botanicals inspired by Scotland (Treasure Island is a heady mix of musk, lemon, and cinnamon inspired by the Robert Louis Stevenson classic), single malt whiskies, purses, the best of British home design, and jewelry using Scottish gemstones. There are shops that specialize in traditional foods (farmhouse cheeses, toffee, shortbread, and lemon curd). There's a "glorious mess of an antique shop," a "kilt maker for the 21st century" who uses fabrics that range from denim to leather and whose customers include Sean Connery, and many more establishments, both new and historic. Old businesses aren't included simply for being old, but for continuing to offer goods of beauty and quality; new businesses are chosen because they operate in an old-fashioned way, with an emphasis on service and craftsmanship. Some are elegant and refined, some offer on quirky twists on classic themes, but each is stylish and without pretense. One shop owner says her boutique attracts the "discerning and determinedly different." The guide also includes restaurants, pubs, and cafés along the walks, and has an entire section devoted to the stunning tearooms of Charles Rennie Mackintosh and the Edinburgh farmer's market. Sumptuous color photos throughout give a sneak preview of the shops and their offerings, and the address, phone number, opening days and hours, and website of each establishment are included for extra convenience.
