"A destination wedding offers the chance to create the wedding of your dreams --but it doesn't have to cost a fortune or be a nightmare to organize. All you need is an adventurous spirit, a little imagination, and this handy planner. Alison Hotchkiss gives advice on everything from choosing the location to setting a budget to managing arrangements from afar and making sure you end up legally married at the end of it all" --P. [4] of cover.

From the internationally bestselling author of *The Windfall*. . . . What could go wrong at a lavish Indian wedding with your best friend and your entire family? "A witty and romantic novel perfect for all readers."—Terry McMillan NAMED ONE OF THE BEST BOOKS OF THE YEAR BY MARIE CLAIRE AND NEW YORK POST When Tina Das finds herself at a crossroads both professionally and personally, she wonders if a weeklong trip to Delhi for her cousin's lavish wedding might be just the right kind of escape. Maybe a little time away from New York will help get her mind straight about her stalled career, her recent breakup, and her nagging suspicion that she'll never feel as at home in America as she does in India. Tina hopes this destination wedding, taking place at Delhi's poshest country club, Colebrookes, will be the perfect way to reflect and unwind. But with the entire Das family in attendance, a relaxing vacation is decidedly not in the cards. Her amicably divorced parents are each using the occasion to explore new love interests—for her mother, a white American boyfriend, for her father, an Indian widow arranged by an online matchmaker—and Tina's squarely in the middle. A former fling is unexpectedly on the guest list, a work opportunity is blurring the lines of propriety on several fronts, and her best friend Marianne's terrible penchant for international playboys is poised to cause all sorts of chaos back home. The accommodations are swanky, the alcohol is top-shelf, but this family wedding may be more drama than Tina can bear and could finally force her to make the choices she's spent much of her life avoiding. Infused with warmth and charm, *Destination Wedding* grapples with the nuances of family, careers, belonging, and how we find the people who make a place feel like home.

Full of instructive images and insightful hints, this book is indispensable for photographers who want to boost their wedding-album sales. Updated with the latest styles, this showcase of 15 top wedding photographers' work and business practices provides insight into each artist's creative process, client service skills, and album design. Information on album types and basic design principles is accompanied by tips for marketing albums, including creating a dazzling sample album, expertly preparing the images for presentation after the ceremony, and discussing the importance of the album as a memento to be cherished for a lifetime. Savvy photographers will learn how to turn an album purchase into a multiple-album sale, how to add on à la carte images, and how to make networking and referrals generate additional business.

Outlining a theory that combines the refinement of traditional posing techniques with the more organic, spontaneous techniques of photojournalism, this creative and informative resource offers poses that rely on personality and interaction. These instructions from a veteran wedding photographer provide the skills needed to recognize what makes a great pose and how to subtly direct your clients to achieve the needed balance between looking great and looking comfortable. Ultimately, this grouping of modern and traditional shots offers answers to the complications faced when attempting to pose wedding parties quickly while keeping the natural look that all wedding couples desire.
