The story running through issues #6-10 of Image Comics' series Fatale is collected as Fatale Volume 2: The Devil's Business TP (Fatale (Image Comics)). This continues the story from the first volume (so go and read it first!), as Nicholas Lash digs further into his family's past, and finds something strange – he met Josephine as a boy (he was the boy, not Josephine).

Volume 2 takes place in the 1970s with Josephine. A struggling actor, Miles, and his friend end up in her house covered in blood. They have gotten mixed up in a Satanic cult with a leader that Josephine knows too well. Having a different main male character than Nick made me like this volume less, as Miles wasn't exactly like-able to me.

more raphic novel by Ed Brubaker & Sean Phillips, FATALE Vol. 2 reveals more of Josephine's mysterious past and her connection to the devotees of the "Old Gods". I especially enjoy how each volume of this series (and this applies to most of Brubaker's work) reads as a stand alone series AND a chapter in larger work. Set in LA during the 70's, Vol. 2 is filled with sex, drugs, and weird cultists!

The overall Fatale storyline involve the quest by various people to find/understand just who Josephine (the 'Fatale' of the title) is, and why the cultists are desperate to track her down. Well, the why is simple - they want to sacrifice her for some nefarious purpose, but the purpose and deeper background are still being explored.

When a struggling actor and his wounded friend cross Josephine's path all hell breaks loose leaving ripples that echo all the way to modern time where Nicolas Lash becomes more obsessed with finding the mysterious Femme Fatale.

Josephine is cursed, and in a series that darkly blends American crime noir with unnamed Lovecraftian horrors, we follow her from 1950s San Francisco, where crooked cops hide deeper evils, to mid-'70s L.A., where burnt-out actors and ex-cult groupies are caught in a web around a satanic snuff film...and in the middle of it all is Josephine, with a power to die or kill for! The second volume of Fatale's Deluxe Edition finishes the epic noir-horror series, from comic masters Ed Brubaker and Sean Phillips, with colorists Dave Stewart and Elizabeth Breitweiser. Collects FATALE #11 - 24 This beautiful, oversized edition contains all the extras that Brubaker and Phillips fans have come to expect from their deluxe hardbacks, including behind-the-scenes art and stories, sketches and layouts, back-page illustrations, and several of Jess Nevins' historical essays, as well.

Modern day reporter Nicolas Lash learns of a secret involving an ageless woman who has been on the run since the 1930s, while reporter Hank Raines meets the same woman in 1950s San Francisco.

Connects four stories, each one occurring during a distinct time in history, that contribute to the mystery that is the Femme Fatale.

"Contains material originally published in magazine form as 'Fatale' #20-24"--Indicia.

The second issue of the hottest series of 2012 is here! In modern times, Nicholas Lash searches for answers about the mysterious woman who ruined his life, while in the mid-1950s, reporter Dominic Raines is drawn down that same murderous path... The award-winning team of Brubaker and Phillips keeps the heat on high in this epic horror noir.
