As Israel continues its barbaric assault on Gaza, Noam Chomsky and Ilan Pappé put the recent campaign against Gaza.

From the targeting of schools and hospitals, to the indiscriminate use of white phosphorus, Israel's conduct in 'Operation Cast Lead' has rattled even some of its most strident supporters.

This “succinct and eye-opening collection of recent interviews and essays [presents] sober and unflinching analysis” of Gaza’s humanitarian crisis (Publishers Weekly). While

Access Free Gaza En Crisis Gaza In Crisis Spanish Edition

numerous books address Israel-Palestine conflict, Gaza in Crisis brings together two renowned thinkers—American activist Noam Chomsky and Israeli historian Ilan Pappé—to examine why this conflict has lasted so long, who can stop it, and how. Israel's Operation Cast Lead, a 2008 military assault on the Gaza Strip, thrust the region to the center of the discussion. With expert knowledge and deep insight, Chomsky and Pappé survey the fallout from Israel's conduct in Gaza and place it in historical context. This revised and expanded edition includes a new essay by Pappé called "The Ten Mythologies of Israel," originally written for the New York session of the Russell Tribunal on Palestine. Also included is Chomsky's incisive essay "'Exterminate All the Brutes': Gaza 2009" and a dialogue between the two writers on "The

Ghettoization of Palestine.”

The sequel to the acclaimed Gaza in Crisis from world-famous political analyst Noam Chomsky and Middle East historian Ilan Pappé. Operation Protective Edge, Israel's 2014 assault on Gaza, left thousands of Palestinians dead and cleared the way for another Israeli land grab. The need to stand in solidarity with Palestinians has never been greater. Ilan Pappé and Noam Chomsky, two leading voices in the struggle to liberate Palestine, discuss the road ahead for Palestinians and how the international community can pressure Israel to end its human rights abuses against the people of Palestine. Praise for Gaza in Crisis by Noam Chomsky and Ilan Pappé “This sober and unflinching

Presents an original investigation into the 1956 massacre of more than one hundred Palestinian refugees by Israeli soldiers in Rafah in graphic novel format.

The first Israeli journalist to voluntarily live in Gaza, the much-maligned Palestinian enclave, offers her insights and reflections on what she saw and learned, the joys, and the sudden fears, and gives a moving portrait of the resilient Palestinian people. Reprint.

"In its comprehensive sweep, deep probing and acute critical analysis, Finkelstein's study stands alone."--Noam Chomsky
"No one who ventures an opinion on Gaza . . . is entitled to

Access Free Gaza En Crisis Gaza In Crisis Spanish Edition

do so without taking into account the evidence in this book." --The Intercept

The Gaza Strip is among the most densely populated places in the world. More than two-thirds of its inhabitants are refugees, and more than half are under eighteen years of age. Since 2004, Israel has launched eight devastating "operations" against Gaza's largely defenseless population. Thousands have perished, and tens of thousands have been left homeless. In the meantime, Israel has subjected Gaza to a merciless illegal blockade. What has befallen Gaza is a man-made humanitarian disaster. Based on scores of human rights reports, Norman G. Finkelstein's new book presents a meticulously researched inquest into Gaza's martyrdom. He shows that although Israel has justified its assaults in the name of self-defense, in fact these

Access Free Gaza En Crisis Gaza In Crisis Spanish Edition

actions constituted flagrant violations of international law. But Finkelstein also documents that the guardians of international law--from Amnesty International and Human Rights Watch to the UN Human Rights Council--ultimately failed Gaza. One of his most disturbing conclusions is that, after Judge Richard Goldstone's humiliating retraction of his UN report, human rights organizations succumbed to the Israeli juggernaut. Finkelstein's magnum opus is both a monument to Gaza's martyrs and an act of resistance against the forgetfulness of history.

Dos de las voces más autorizadas denuncian la situación de Palestina. El asedio que sufren los palestinos de Gaza desde que en el invierno de 2008 un ataque militar israelí causó

1.400 muertos e impuso un duro bloqueo ha situado a la Franja en el centro del debate sobre un conflicto que dura ya más de 60 años. Partiendo de esta catástrofe política y humanitaria, el intelectual judío-estadounidense Noam Chomsky y el historiador israelí Ilan Pappé ofrecen un lúcido análisis de los orígenes y el futuro de la larga ocupación de Palestina. Cada vez son más los observadores internacionales que cuestionan la lógica de la agresión militar por parte de los israelíes: éstos bloquean el acceso de los palestinos a materiales vitales para la reconstrucción, restringen su libertad de movimiento y los someten a una vida de constante riesgo y humillación. Escrito a dos voces, este libro es el medio más eficaz de recapitular y entender las claves de un conflicto del que recibimos un bombardeo

Access Free Gaza En Crisis Gaza In Crisis Spanish Edition

constante de información a menudo inconexa. Las pequeñas divergencias entre Chomsky y Pappé, dos de las voces más autorizadas, enriquecen un discurso común que se caracteriza en su fondo por la coherencia, la mesura y la amplitud de miras. La crítica ha dicho... «Chomsky es un fenómeno global. Probablemente sea la voz estadounidense que más se lee en todo el planeta en temas de política internacional.» New York Times Book Review «Chomsky y Pappé, el más destacado historiador israelí, esclarecen el contexto esencial de la crisis israelo-palestina. Cualquier persona preocupada por el cambio, factible, en una región que tanto ha sufrido debería leer este sobrio e implacable análisis.» Publishers Weekly

A dramatic shift is taking place in Israel and America. In Israel, the deepening occupation of the West Bank is putting Israeli democracy at risk. In the United States, the refusal of major Jewish organisations to defend democracy in the Jewish state is alienating many young liberal Jews from Zionism itself. In the next generation, the liberal Zionist dream, the dream of a state that safeguards the Jewish people and cherishes democratic ideals, may die. In *The Crisis of Zionism*, Peter Beinart lays out in chilling detail the looming danger to Israeli democracy and the American Jewish establishment's refusal to confront it. And he offers a fascinating, groundbreaking portrait of the two leaders at the centre of the crisis: Barack Obama, America's first 'Jewish president', a man steeped in the liberalism he learned from

Access Free Gaza En Crisis Gaza In Crisis Spanish Edition

his many Jewish friends and mentors in Chicago; and Benjamin Netanyahu, the Israeli prime minister who considers liberalism the Jewish people's special curse. These two men embody fundamentally different visions, not just of American and Israeli national interests, but of the mission of the Jewish people itself. Beinart concludes with provocative proposals for how the relationship between American Jews and Israel must change, and with an eloquent and moving appeal for American Jews to defend the dream of a democratic Jewish state before it is too late.
