*Includes pictures *Includes online resources and a bibliography for further reading "To be born in Wales, not with a silver spoon in your mouth, but, with music in your blood and with poetry in your soul, is a privilege indeed." - Brian Harris Wales is a fascinating and ancient land filled with history. Prehistoric ruins, medieval castles, and old coaching inns are only some of the historic sites people visit. The Welsh have their distinct language and customs and have always felt themselves to be a people apart from the neighboring English. This division goes back to the 5th century, when the ancient Britons fled west in the face of the Anglo-Saxon incursion. The Anglo-Saxons were made up of three tribes-the Angles, Saxons, and Jutes-from what is now Denmark and northern Germany. These tribes took advantage of the Roman legion's departure to attack vulnerable Britons, taking over England until the Britons in Wales defied them. This defiance continued into the Middle Ages, and numerous wars occurred as successive English kings tried and eventually succeeded in asserting their will over the rebellious country. With such a storied and violent past, it is no surprise that Wales has many tales of ghosts. The Ghosts of Wales: A Collection of Ghost Stories across the Welsh Nation is a collection of such tales, just a few among the thousands of local legends and modern sightings that make people think Wales is one of the most haunted countries in the world. It is part of a collection of other books written by Sean McLachlan, including The Ghosts of England: A Collection of Ghost Stories across the English Nation and The Ghosts of Ireland: A Collection of Ghost Stories across the Emerald Isle. Along with pictures of important people, places, and events, you will learn about the ghosts of Wales like never before.

Wales is one of the most haunted countries in the world. This title explores it's haunted heritage and presents studies of original sources revealing insights into Welsh folklore and resurrecting ghost stories which have been long forgotten.

A collection of spine-chilling tales of hauntings, paranormal activity and supernatural phenomena from right across Wales.

Rooted in place, slipping between worlds - a rich collection of unnerving ghosts and sinister histories. 'An impressive line-up of established and emerging names.' The Sunday Times 'These eerie, unsettling stories are guaranteed to send shivers down your spine.' Daily Express Eight authors were given the freedom of their chosen English Heritage site, from medieval castles to a Cold War nuclear bunker. Immersed in the past and chilled by rumours of hauntings, they channelled their darker imaginings into a series of extraordinary new ghost stories. 'Subtly evocative of human relations loss, grief, or the fear of loneliness.' TLS 'A satisfying and spooky read.' Sun Also includes a gazetteer of English Heritage properties which are said to be haunted.
