Glencoe Health is an activities-based, high school, health program where teens find support for
mastering important health content and skills. Through high-interest, real-life applications, they
will learn to recognize and stand up to peer pressure, model good health behaviors, and
develop solid decision-making skills that will last a lifetime.

A flexible program with the solid content students need Glencoe Geometry is the leading
geometry program on the market. Algebra and applications are embedded throughout the
program and an introduction to geometry proofs begins in Chapter 2.

A balanced approach to science in each level Glencoe Science: Level Red is the first book in
Glencoe's three-book integrated science series. Level Red provides students with accurate
and comprehensive coverage of life, earth, and physical science. The strong content coverage
integrates a wide range of hands-on experiences, critical-thinking opportunities, and real-world
applications.

This book provides the range of labs, content area reading, discussion strategies, note-taking
tools, and activities that provides students with multiple experiences of each Science
Benchmark.

The Glencoe Math Student Edition is an interactive text that engages students and assist with
learning and organization. It personalizes the learning experience for every student. The write-
in text, 3-hole punched, perforated pages allow students to organize while they are learning.

Glencoe is the only publisher to use real-world accounting software and companies to teach
accounting!

With a broad array of innovative print and technology resources, Glencoe Science helps
teachers differentiate and accommodate all learners! The range of labs, content area reading,
discussion strategies, note-taking tools, and activities provides students with multiple
experiences of each Science Standard. They give teachers flexibility and the ability to monitor
student progress through ongoing assessment.
