The man who saved the lives of his PT-109 crewmen during WWII and became the 35th president fought-and won-his first battle at the age of two-and-a-half, when he was stricken with scarlet fever. Although his presidency was cut short, our nation's youngest elected leader left an indelible mark on the American consciousness and now is profiled in our Who Was...? series. Included are 100 black-and-white illustrations as well as a timeline that guides readers through this eventful period in history.

A breathtaking and dramatic account of the JFK assassination by the NEW YORK TIMES bestselling author of CHASING LINCOLN'S KILLER! In his new young-adult book on the Kennedy assassination, James Swanson will transport readers back to one of the most shocking, sad, and terrifying events in American history. As he did in his bestselling Scholastic YA book, CHASING LINCOLN'S KILLER, Swanson will deploy his signature "you are there" style -- a riveting, ticking-clock pace, with an unprecedented eye for dramatic details and impeccable historical accuracy -- to tell the story of the JFK assassination as it has never been told before. The book will be illustrated with archival photos, and will have diagrams, source notes, bibliography, places to visit, and index YALSA-ALA Excellence in Young Adult Nonfiction Award Finalist

The complete lower primary Guided Reading series for developing independent readers. Guided Reading Books are Reading Recovery levelled and cover a range of fiction and non-fiction titles from different genres. They are sequentially organised to build on high-frequency words, sight vocabulary and phonics introduced in previous levels.

Noah and Emma Burton have traded the sand and surf of their Hawaiian home for a chilly stay in Alaska, and Noah isn't happy about it. His father may be a volcano expert, but why did they have to travel to the coldest, grayest place on earth when there are millions of volcanoes near Honolulu? Noah thinks he's in for the most boring vacation of his life.He couldn't have been more wrong! A day trip to a remote island turns deadly when a once-dormant volcano suddenly sputters to life in an eruption of epic proportions. Now Noah, Emma, and their new neighbor Alex must fight to survive rivers of molten lava and clouds of toxic ash if they want to make it off the island alive....

It's "the nuclear bomb of racial epithets," a word that whites have employed to wound and degrade African Americans for three centuries. Paradoxically, among many black people it has become a term of affection and even empowerment. The word, of course, is nigger, and in this candid, lucidly argued book the distinguished legal scholar Randall Kennedy traces its origins, maps its multifarious connotations, and explores the controversies that rage around it. Should blacks be able to use nigger in ways forbidden to others? Should the law treat it as a provocation that reduces the culpability of those who respond to it violently? Should it cost a person his job, or a book like Huckleberry Finn its place on library shelves? With a range of reference that extends from the Jim Crow south to Chris Rock routines and the O. J. Simpson trial, Kennedy takes on not just a word, but our laws, attitudes, and culture with bracing courage and intelligence.

Describes a day in the life of Splash, the dog of the late Senator Kennedy, as he followed around his busy owner, played a game of catch on the lawn in front of Congress, and toured some of the most historic areas in the nation's capital.

The beloved Pulitzer Prize-winning novel, basis of the film starring Jack Nicholson and Meryl Streep. Francis Phelan, ex-big-leaguer, part-time gravedigger, full-time bum with the gift of gab, is back in town. He left Albany twenty-two years earlier after he dropped his infant son accidentally, and the boy died. Now he's on the way back to the wife and home he abandoned, haunted at every corner by the ghosts of his violent life. Francis; his wino ladyfriend of nine years, Helen; and his stumblebum pal, Rudy, shuffle their ragtag way through the city's bleakest streets, surviving on gumption, muscatel, and black wit. estiny is not their business. "The premise of Ironweed was so unpromising, that in marketing terms the writer still to this day finds it funny: the story of a bunch of itinerant alcoholics, knocking around Kennedy's hometown, falling out, having visions, trying to pass for sober to cadge a bed for the night in the homeless shelter.' Guardian 'But for all the rich variety of prose and event, from hallucination to bedrock realism to slapstick and to blessed quotidian peace, "Ironweed" is more austere than its predecessors. It is more fierce, but also more forgiving.' Quoted from the classic New York Times review of Ironweed, which made it an overnight sensation.

"The companion volume to the Fox news series"--Jacket.
