Valentine's Day as a day for
lovers can be traced ...

First published in 2004. Routledge
is an imprint of Taylor & Francis,
an informa company.

Sappho has been constructed as
many things: proto-feminist,
lesbian icon and even - by the
Victorians - chaste headmistress
of a girls' finishing school. Yet
ironically, as Page DuBois shows,
the historical poet herself remains
elusive. We know that Sappho's
contemporary Alcaeus described
her as 'violet, pure, honey-smiling
Sappho'; and that the rhetorician
and philosopher Maximus of Tyre
saw her, perhaps less

Read Book Images In Some Of Sapphos Fragments lasj

enthusiastically, as 'small and dark'. We also know that her 7th/6th century BCE island of Lesbos was riven by tyrannical and aristocratic factionalism and that she was probably exiled to Sicily. Much of the rest is speculative. DuBois suggests that the value of Sappho lies elsewhere: in her remarkable verse, and in the poet's reception - one of the richest of any figure from antiquity. Offering nuanced readings of the poems, written in an archaic Aeolic dialect, DuBois skillfully draws out their sharp images and rhythmic melody. She further discusses the exciting discovery of a new verse fragment in 2004, and the ways in which Sappho influenced Catullus, Horace and Ovid, as well

Read Book Images In Some Of Sapphos Fragments lasj as later writers and painters.

The essays in this volume review the seemingly endless permutations wrought on Sappho through centuries of readings and re-writings.

She lived on the island of Lesbos around 600 B.C.E. She composed lyric poetry, only fragments of which survive. And she was--and is--the most highly regarded woman poet of Greek and Roman antiquity. Little more than this can be said with certainty about Sappho, and yet a great deal more is said. Her life, so little known, is the stuff of legends; her poetry, the source of endless speculation. This book is a search for Sappho through the poetry

Read Book Images In Some Of Sapphos Fragments lasj

she wrote, the culture she inhabited, and the myths that have risen around her. It is an expert and thoroughly engaging introduction to one of the most enduring and enigmatic figures of antiquity. Margaret Williamson conducts us through ancient representations of Sappho, from vase paintings to appearances in Ovid, and traces the route by which her work has reached us, shaped along the way by excavators, editors, and interpreters. She goes back to the poet's world and time to explore perennial questions about Sappho: How could a woman have access to the public medium of song? What was the place of female sexuality in the public and religious symbolism of Greek

Read Book Images In Some Of Sapphos Fragments lasj

culture? What is the sexual meaning of her poems?

Williamson follows with a close look at the poems themselves, Sappho's "immortal daughters." Her book offers the clearest picture yet of a woman whose place in the history of Western culture has been at once assured and mysterious.

Each month for a full year, the holiday parties and theme nights at Sappho's Bar & Grill spin lonely Hannah Stern into the past when she least expects it. Through her sexy encounters with foremothers ranging from Lilith to Sappho, through Radclyffe Hall to the All American Girls Baseball League,

Hannah learns much about herself and women's survival across time.

A Study Guide for Sappho's "Fragment 2," excerpted from Gale's acclaimed Poetry for Students. This concise study guide includes plot summary; character analysis; author biography; study questions; historical context; suggestions for further reading; and much more. For any literature project, trust Poetry for Students for all of your research needs.

Although Greek society was largely male-dominated, it gave rise to a strong tradition of female authorship. Women poets of ancient Greece and Rome have

Read Book Images In Some Of Sapphos Fragments lasj

long fascinated readers, even though much of their poetry survives only in fragmentary form. This pathbreaking volume is the first collection of essays to examine virtually all surviving poetry by Greek and Roman women. It elevates the status of the poems by demonstrating their depth and artistry. Edited and with an introduction by Ellen Greene, the volume covers a broad time span, beginning with Sappho (ca. 630 b.c.e.) in archaic Greece and extending to Sulpicia (first century B.C.E.) in Augustan Rome. In their analyses, the contributors situate the female poets in an established male tradition, but they also reveal their distinctly “feminine” perspectives. Despite relying on

Read Book Images In Some Of Sapphos Fragments lasj

literary convention, the female poets often defy cultural norms, speaking in their own voices and transcending their positions as objects of derision in male-authored texts. In their innovative reworkings of established forms, women poets of ancient Greece and Rome are not mere imitators but creators of a distinct and original body of work.

While sifting through trash in her flooded New Orleans home, Ruth Salvaggio discovered an old volume of Sappho's poetry stained with muck and mold. In her efforts to restore the book, Salvaggio realized that the process reflected how Sappho's own words were unearthed from the refuse of the ancient world.

Read Book Images In Some Of Sapphos Fragments lasj

Undertaking such a task in New Orleans, she sets out to recover the city's rich poetic heritage while searching through its flooded debris. Hearing Sappho in New Orleans is at once a meditation on this poetic city, its many languages and cultures, and a history of its forgotten poetry. Using Sappho's fragments as a guide, Salvaggio roams the streets and neighborhoods of the city as she explores the migrations of lyric poetry from ancient Greece through the African slave trade to indigenous America and ultimately to New Orleans. The book also directs us to the lyric call of poetry, the voice always in search of a listener. Writing in a post-Katrina landscape, Salvaggio recovers

Read Book Images In Some Of Sapphos Fragments lasj

and ponders the social consequences of the "long song" -- lyric chants, especially the voices of women lost in time -- as it resonates from New Orleans's "poetic sites" like Congo Square, where Africans and Indians gathered in the early eighteenth century, to the modern-day Maple Leaf Bar, where poets still convene on Sunday afternoons. She recovers, for example, an all-but-forgotten young Creole woman named Lélé and leads us all the way up to celebrated contemporary writers such as former Louisiana poet laureate Brenda Marie Osbey, Sybil Kein, Nicole Cooley, and Katherine Soniat. Hearing Sappho in New Orleans is a reminder of poetry's ability to restore and secure

Read Book Images In Some Of Sapphos Fragments lasj

fragile and fragmented connections in a vulnerable and imperiled world.

No ancient poet has a wider following today than Sappho; her status as the most famous woman poet from Greco-Roman antiquity, and as one of the most prominent lesbian voices in history, has ensured a continuing fascination with her work down the centuries. The Cambridge Companion to Sappho provides an up-to-date survey of this remarkable, inspiring, and mysterious Greek writer, whose poetic corpus has been significantly expanded in recent years thanks to the discovery of new papyrus sources. Containing an introduction, prologue and

Read Book Images In Some Of Sapphos Fragments lasj

thirty-three chapters, the book examines Sappho's historical, social, and literary contexts, the nature of her poetic achievement, the transmission, loss, and rediscovery of her poetry, and the reception of that poetry in cultures far removed from ancient Greece, including Latin America, India, China, and Japan. All Greek is translated, making the volume accessible to everyone interested in one of the most significant creative artists of all time.
