I began writing online in 2012. Had some ups and downs. Published some books. Gained loyal readers... Then, I was in a slump for 2 years. If it weren't for GOT7, I wouldn't be back on track. So now, I write socmed AUs on Twitter as well as full-length novels in Wattpad.

Matthew Dela Cruz believes that love is simply the search for the one girl who will make him feel complete. This collection of stories is about his journey to find her—and what happens when he finally does. Pop Fiction's beloved authors hanjhanjbeybe, areyaysii, notjustarandomgirl, HippyHoppityAzure, Kwento Ni Jhingness, and kendaniel tell his story through the tales of the five girls he loved and lost before destiny led him to the one. They say that everyone is connected to everyone. In the mysterious machinations of life and love, Matthew finds out that the girl he's been looking for all his life has always been there. In fact, she was just six degrees of serendipity away from him.

Sweet tea, corn bread and soup beans; everyday fare for eight-year-old Alix French, the precocious darling of a respected southern family. But nothing was ordinary about the day she met ten-year-old Nick Anderson, a boy from the wrong side of town. Armed with only a tin of bee balm and

steely determination, Alix treats the raw evidence of a recent beating that mars his back, an act that changes both their lives forever. Through childhood disasters and teenage woes they cling together as friendship turns to love. The future looks rosy until the fateful night when Frank Anderson, Nick's abusive father, is shot to death in his filthy trailer. Suddenly, Nick is gone, leaving Alix alone, confused and pregnant. For the next fifteen years she wrestles with the pain of Nick's abandonment, a bad marriage, her family and friends. But finally, she's starting to get her life back together. Her divorce is almost final, her business is booming, and she's content if not happy-until the day she looks up and sees Nick standing across the counter. He's back, and he's not alone. Once again Alix is plunged into turmoil and pain as Nick tries to win her love, something she resists with all her strength. Only one thing might break the protective wall she's built around her emotions-the truth about Frank Anderson's death. But when that truth comes out and those walls crumble, neither Alix nor Nick is prepared for the emotional explosion that could destroy as well as heal.

'It is a most wonderful comfort to sit alone beneath a lamp, book spread before you, and commune with someone from the past whom you have never met...' I've always let my past dictate my future, letting it paint a picture of exactly what I don't want to be. Where I don't want to end up. Drake Chambers is as arrogant as I am stubborn. A college quarterback, a national star. I thought he was just another one of those guys ... the type every girl should stay away from, but he's carrying more than the weight of the football team on his shoulders. He unravels the feelings and beliefs I've held onto for so long. I thought we had it all figured out. Two people who'd finally found their happily ever after, but the past always has a way of sneaking into the present. With one decision, everything changes ... forever.

Night is coming, and so are they. Milena's twentieth birthday, the day she would join the ranks of her village's hunters, should have been the most exciting day of her life. Being a hunter meant she would be able to help protect her village from the murderous wolves who take human form—the creatures of the night. But a chance encounter with Elias, the enigmatic leader of the creatures, leaves her questioning everything she has ever believed to be true. Up until now, Elias has managed to protect the creatures of the night and keep the secrets of his past well hidden. Now, as tensions between the groups grow, Elias is forced to make hard decisions: ones that will cost lives. Nobody is safe, especially Milena, the person he is inexplicably drawn to even though it could destroy them both. Equal parts suspense, mystery, and romance, *Creatures of the Night* captures the struggle between learning to trust your instincts and each other.

An emotional love story that follows the touch-and-go relationship of Hayden and Tenley; two young people who desperately want to love and be loved but are afraid to completely let go of their pasts. Their body art is hot. Their chemistry is even hotter. From her dark hair sweeping below her waist to her soft, sexy curves, Tenley Page intrigues tattoo artist Hayden Stryker in a way no one else ever has...especially when she asks him to ink a gorgeous, intricate design on her back. Yet for all her beauty, there is something darkly tragic and damaged about Tenley that Hayden is everything. Covered in ink and steel, Hayden is everything Tenley has never dared to want, awakening a desire to explore more than the art adorning his stunning body. Trapped by a past that leaves her screaming from nightmares, Tenley sees Hayden as the perfect escape. Although he has secrets too, if they both keep themselves guarded perhaps their intense physical connection will remain only that. But nothing, not even passion, can keep them safe from their pasts...

In this follow-up to *Clipped Wings*, the emotional love story continues between Hayden and Tenley; two young people who desperately want to love and be loved but are afraid to completely let go of their pasts. In the wake of losing Tenley Page, tattooist Hayden Stryker's tumultuous past is haunting him. Plagued by nightmares about the murder of his parents, Hayden reaches out again to Tenley. Having run from the man she doesn't believe she deserves, Tenley finally lays her guilt to rest. Despite their intense physical attraction, Hayden and Tenley struggle to repair their fragile emotional connection. As Hayden gets closer to the truth, he must find a way to reconcile his guilt over his parents' death in order to keep the woman who finally cracked his armor, and found her way into his heart.
