This book covers the underexplored subject of 'fathering' in India. It delves into the shared aspirations of men in India to nurture their children in sensitively attuned ways within the culturally prescriptive context that governs men's roles as providers and caregivers. This work is based on over two decades of intensive research in India on how different groups construct and experience fatherhood and fathering under changing circumstances. It unmask the heterogeneity that exists within fathering in India through conversations with fathers across diverse contexts—in privileged economic situations and those in difficult home and family circumstances, having children with disability, single-parent fathers and fathers in the military. A separate section discusses fathering daughters and shared parenting. Images and role models in fathering are brought alive through analysis of Hindi films, the media, children's literature and classical literature. The conceptual analysis moves beyond the power and control dimensions commonly used to describe Indian men and fathers, to highlight their resilience, adaptability, positive involvement and developmental trajectories. This volume is for scholars, researchers and practitioners in developmental psychology, human development and family science, sociology, early childhood education and psychiatry, pediatrics, community medicine and allied fields.

Vagbhata's Ayurvedic principles for Health: SUTRAS OF ASHTANGA
HRIDAYAM & ASHTANGA SANGRAHA

Swami Chinmayananda's commentary on Narada Bhakti Sutra dances with the nuances of an ecstatic and enduring relationship with the Lord of one's heart that becomes the bed-rock of a devotee's life. This divine love is all-consuming, yet purging and freeing in its impact. The devotee trusts the Lord like a friend, cherishes Him like a child and is faithful to Him like a wife. Where then is the need or the place for any other worldly relationship? Joy or sorrow, it is the Lord alone for him. He will play, pray, fight and frolic only with the Lord in his heart's shrine. Go for it! Get engulfed by a relationship that lasts lifetimes, riding on waves and giant waves of beatific beauty!
