LifeGoat - Life Made Easy

A life insurance policy can provide financial support for your loved ones if you or another joint policy holder passes away, helping to pay off debts like a mortgage and provide a means of living for your family. It usually comes in the form of a lump sum payment, but can also offer a substitute for a regular income.

Insurance can be confusing and expensive, but it's also necessary protection from risk. To alleviate that confusion, Tony Steuer has created a comprehensive guide to insurance—from how to calculate your ideal level of coverage to avoiding fraud—using the familiar metaphor of professional football. Your agents act as your coaching team, and each type of insurance is a player on your team, covering a different position. Let's see who's on the roster: • Auto insurance • Disability insurance • Health insurance, including Medicare • Homeowner's/renter's insurance • Life Insurance • Long-term-care insurance • Annuities Insurance coverage is a personalized product, based on a specific need to cover a risk. Don't overpay for the wrong coverage. Draft the right players now with Insurance Made Easy.

This combination textbook and workbook, explains each phase of the medical claim cycle, from the time the patient calls for an appointment until the financial transaction for the encounter is completed. Coverage includes types of insurance payers, basic coding and billing rules, and standard requirements for outpatient billing using the CMS-1500 claim form. It also emphasizes legal aspects related to each level of the medical claim cycle and the importance of the medical office employee, showing their responsibility for and impact on successful reimbursement. 3 separate chapters offer coverage of the basic concepts of medical coding. A comprehensive overview of the CMS-1500 claim form with step-by-step guidelines and illustrations thoroughly covers reimbursement issues and explains the billing process. Includes detailed information on various insurance payers and plans including Medicare, government medical plans, disability plans, private indemnity plans, and managed care. Stop & Review sections illustrate how the concepts presented in each chapter relate to real-life billing situations. Sidebars and Examples highlight key concepts and information related to the core text lesson. A companion CD-ROM contains sample patient and insurance information that readers can use to practice completing the accompanying CMS-1500 claim form, as well as a demonstration of Altapoint practice management software. Features completely updated information that reflects the many changes in the insurance industry. Contains a new chapter on UB-92 insurance billing for hospitals and outpatient facilities. Includes a new appendix, Quick

Guide to HIPAA for the Physician's Office, to provide a basic overview of the important HIPAA-related information necessary on the job.

Recent changes and mergers in the life insurance industry have caused many Americans to lose their life insurance. Now a long-time specialist in the field shows the consumer how to save on lower-priced insurance policies and turn them into profit-making investment vehicles.

If you died today, would you be leaving a burden behind for your family? The book on life insurance will reveal, how valuable your life really is. Life insurance is not for you, it's from you. Learn how not to rely on your job benefits to protect your family ever again, You don't buy life insurance because you're going to die, you buy life insurance because those you love are still living.

Welcome Insurance made easy ebook. It has 4 Lessons for teaching you the insurance in simple words Lesson 1. Basics Lesson 2. Types of Insurance Lesson 3. Annuity Lesson 4. Loss Calculation for Claim

A user-friendly guide to making expert decisions on life insurance policies.

America's elite have been using cash value life insurance to stockpile wealth for centuries. Used correctly, it is better described as a personal bank on steroids, and a financial bunker for tough times. To be clear, this book is not about the typical garbage peddled by most insurance agents. Rather, an alternative to the risky investment strategies taught by Wall Street. It details a highly efficient form of cash value life insurance designed to supercharge your savings and stockpile wealth. A product so powerful it's responsible for the success of Walt Disney, JC Penney, Ray Kroc, and thousands of others. Here's what you'll discover: How the wealthy use this vehicle to create more wealth, take less risk, and create predictable income down the road Why banks and corporations place billions of dollars in this powerful vehicle How I earned over 300 percent returns leveraging my life insurance policies How you can create a safe, predictable foundation to enhance every financial decision you make How to win with taxes and keep more of the money you make While the information compiled into this book is valuable, you'll also find three case studies that show you exactly how it works. You'll be able to visually see how it grows, how it's accessed, as well as the future income that can be taken. _____ Influencers of this book are Nelson Nash, his book "Becoming Your Own Banker: Unlock the Infinite Banking Concept"; Pamela Yellen, her book "Bank on Yourself"; Dwayne Burnell, his book "Financial Independence in the 21st Century - Life Insurance * Utilize the Infinite Banking Concept * Compliment Your 401K - Retirement Planning With Permanent Whole Life versus Term or Universal - Create Financial Peace"; and my Father Dan Thompson, and his book "The Banking Effect: Acquiring wealth through your own Private Banking System." I was introduced to these financial strategies at a young age, and this is book represents the effort and energy on both the part of everyone of my mentors, these authors here, as well as my own diligence in learning about and implementing these very same strategies into my personal finances. This book is designed to simplify some of the concepts surrounding cash value life insurance, such as Infinite Banking and Bank on Yourself, and make them easier to understand, stripping them down to the core benefits of cash value life insurance.

Accidents. Fires. Floods. Hurricanes. Job instability. Unexpected repairs. Now, more than ever, uncertainty is a fact of life. This raises an important question we all too rarely ask in advance: "What happens to the pieces of my financial life if an emergency hits?" In GET READY!, financial expert and award-winning author Tony Steuer explains how to organize your financial life with a comprehensive, easy-to-follow, step-by-step process. After explaining what exactly each piece of your financial life is—from bonds and bank accounts to CDs and retirement plans—GET READY! expertly guides you through the process of documenting vital information and gathering it in one place to maximize your financial preparedness. GET READY! covers: Implementing the GET READY! system to help organize your financial documents in the way that works best for you Assembling documents and knowing which are critical to your financial preparedness and which to toss Creating a critical emergency action list, so you can be prepared in the event of an evacuation Communicating key components of your financial life to family and heirs, so they're not left guessing in an emergency and can step right in if something should happen to you Setting up your financial dashboard to monitor your overall financial preparedness Staying ready with a system that helps you maintain your financial health and preparedness GET READY! goes beyond other financial organizational systems by demystifying the world of personal finances, explaining how to easily assess your financial situation and identifying issues that need to be addressed so that you can become better educated about your finances and maximize your resources. As a bonus, all worksheets are available for download through links provided in the book.

Criticizes the abuses of the insurance industry and explains how to select policies that will provide the greatest possible benefits at the most reasonable price
