Looks at the life of Dr. Martin Luther King, explaining his work to bring about a peaceful end to segregation. Caldecott Honor 2002

A biography for younger readers about one of the most influential activists of our time, who was an early advocate for African Americans and for gay rights. "Bayard had an unshakable optimism, nerves of steel, and, most importantly, a faith that if the cause is just and people are organized, nothing can stand in our way."--President Barack Obama "Bayard Rustin was one of the great organizers and activists of the Civil Rights Movement. Without his skill and vision, the historic impact of the March on Washington might not have been possible. I am glad this biography will make young people aware of his life and his incredible contribution to American history.--Congressman John Lewis "'We need, in every community, a group of angelic troublemakers,' declared Bayard Rustin in the late 1940s. A proponent of nonviolent resistance and a stalwart figure in the civil rights movement, Rustin organized a profound and peaceful milestone in American history--the 1963 March on Washington. . . . Troublemaker for Justice describes not only how Rustin orchestrated the March on Washington in two months but also how he stood up for his Quaker principles throughout his life. The three authors, Jacqueline Houtman, Walter Naegle and Michael G. Long, show the difficulties Rustin faced as a gay black man in 20th-century America, and that he shouldered them with strength, intelligence, and a quest for peace and justice."--Abby Nolan, The Washington Post "An excellent biography that belongs in every young adult library. Readers will find Rustin's story captivating; his story could encourage young people to fight for change."--Michelle Kornberger, Library Journal,\*Starred Review "In today's political landscape, this volume is a lesson in the courage to live according to one's truth and the dedication it takes to create a better

world."—Kirkus Reviews, \*Starred Review "A long-overdue introduction to a fascinating, influential change maker."—Publishers Weekly, \*Starred Review "This biography is an indispensable addition to the literature of both civil and gay rights."—Michael Cart, Booklist, \*Starred review Bayard Rustin was a major figure in the Civil Rights movement. He was arrested on a bus 13 years before Rosa Parks and he participated in integrated bus rides throughout the South 14 years before the Freedom Riders. He was a mentor to Dr. Martin Luther King, Jr., teaching him the techniques and philosophy of Gandhian nonviolent direct action. He organized the March on Washington in 1963, one of the most impactful mobilizations in American history. Despite these contributions, few Americans recognize his name, and he is absent from most history books, in large part because he was gay. This biography traces Rustin's life, from his childhood and his first arrest in high school for sitting in the "whites only" section of a theater, through a lifetime of nonviolent activism. Praise for Troublemaker for Justice: "In Troublemaker for Justice children and teens can finally discover the story of the man who possibly was the most influential person in the struggle for Civil Rights—Bayard Rustin."—Rob Sanders, author of Pride: The Story of Harvey Milk and the Rainbow Flag Teachers: Discussion Guide Available! Explanation of Common Core Instructional Standards Available! Reach out to the publisher at Stacey [@] citylights.com

Baseball, basketball, football – no matter the game, Jackie Robinson excelled. His talents would have easily landed another man a career in pro sports, but in America in the 1930s and '40s, such opportunities were closed to athletes like Jackie for one reason: his skin was the wrong color. Settling for playing baseball in the Negro Leagues, Jackie chafed at the inability to prove himself where it mattered most: the major leagues. Then in 1946, Branch Rickey, manager of the Brooklyn Dodgers, decided he was going to break the "rules" of segregation: he recruited Jackie Robinson. Fiercely determined, Jackie faced cruel and sometimes violent hatred and discrimination, but he proved himself again and again, exhibiting courage, restraint, and a phenomenal ability to play the game. In this compelling biography, award-winning author Doreen Rappaport chronicles the extraordinary life of Jackie Robinson and how his achievements won over – and changed – a segregated nation.

Provides the story of the friendship of civil rights leader Rev. Martin Luther King, Jr. and Rabbi Abraham Joshua Heschel and their collective efforts to end discrimination through their non-violent peace protests and marches.

"This small snapshot of the protest movement pays homage to both the determination of ordinary folk and the power of Dr. King's words. . . . An intergenerational story filled with heart and soul." – Kirkus Reviews When Alex spies a mule chomping on greens in a nearby garden, he can't help but ask about it. "Ol' Belle?" says Miz Pettway. "She can have all the collards she wants. She's earned it." And so begins the tale of an ordinary mule in Gee's Bend, Alabama, that played a singular part in the civil rights movement of the 1960s. When African-Americans in a poor community – inspired by a visit from Dr. Martin Luther King Jr. – defied local authorities who were trying to stop them from registering to vote, many got around a long, imposed detour on mule-drawn wagons. As Alex looks into the eyes of gentle Belle, he begins to understand a significant time in history in a very personal way.

Looks at the early life of Martin Luther King, Jr., as seen through the eyes of his older sister.
