This brand-new title in Barron's foreign language vocabulary building series replaces a previous French vocabulary-building volume that had the same focus and general purpose. However, this new larger book presents approximately 13,000 entries--more than twice the number of words with definitions as the title it replaces. It also includes an enclosed audio MP3, which coaches language students in correct pronunciation of French and presents approximately 10 hours of audio, which covers virtually the entire book. All vocabulary in this book is categorized under different themes. Each theme

groups together many different words relating to similar topics, which helps students of French and travelers to France conveniently find words that are related by subject. Among each book's 24 separate subject themes are: business terms, medical terms, household terms, scientific words and phrases, units of measurement, clothing, food and dining, transportation, art and culture, and others.

This French word-power builder presents more than 5,000 words and phrases with translations into English. The feature that makes this vocabulary book distinctive is the way words are divided into themes, grouped together so that the foreign traveler or language student can find words related by subject. The subject

The subway, using simple techniques and free online resources—and here he wants to show others what he 's discovered. Starting with pronunciation, you ' ll learn how to rewire your ears and turn foreign sounds into familiar sounds. You ' ll retrain your tongue to produce those sounds accurately, using tricks from opera singers and actors. Next, you ' ll begin to tackle words, and connect sounds and spellings to imagery rather than translations, which will enable you to think in a foreign language. And with the help of sophisticated spaced-repetition techniques, you ' ll be able to memorize hundreds of words a month in minutes every day. This is brain hacking at its most exciting, taking what we know about neuroscience and linguistics and using it to create
