Tank Vuong is a large and intimidating boy who hangs with a tough crowd, and Emily Quesada is a fashionista who's quick with a sarcastic remark. But when he discovers an old computer lab in a forgotten corner of the community center, with a strange Minecraft server containing cryptic riddles, he realizes he's going to need help cracking the code—because at the end of the summer, the community center will be demolished, and all hope of solving the mystery will go with it. Following the hints left by an enigmatic figure known as The Wizard, the trio journeys into the dangerous depths of the ocean, where uncanny creatures lurk and untold treasure awaits. . . .
