Andrews (Flowers in the Attic, My Sweet Audrina) presents the second book in the gothic saga of romance, class divisions, and the family secrets that began with House of Secrets. The grand, gothic Wyndemere House is a labyrinth, containing as many secrets as it does corners obscured in shadow. Home to the Davenports, a wealthy and distinguished family, Fern Corey and her mother have lived there as servants for Fern's entire young life. Despite their difference in station, Fern and Dr. Davenport's son, Ryder, have always been extremely close. Which was never a problem... until they came of age. An intimate encounter following a high school prom brings the pair near-tragic consequences, and the forces of fate, arrogance, and class prejudice gather to crush their warm relationship. Still, the real threat to their happiness is something no one can control: the past, and the unspoken truths that lurk there. Fern and Ryder's parents suffer with empathy, they themselves caught in the emotional maze the house creates. When the slow revelations of Wyndemere's secrets finally unfold, everyone party to them will become entangled in a treachery more complete than any could have imagined. For the past is never really past, no matter what age you are.

Book Four of the Girls of Spindrift. From the New York Times bestselling author of the Flowers in the Attic and My Sweet Audrina series (now Lifetime movies) continues a haunting new series featuring highly intelligent teenage girls who struggle to survive a specialized high school and find their place in a world that doesn't understand them. Such is the burden of being brilliant. The ivied walls of Spindrift corral the brightest young minds in the country. Through these ancient halls walk geniuses too intelligent to truly fit in amongst their peers back home. For many, these stone walls are an island of sanity in a distrusting world. Among these students stride a clique of three beautiful girls known as the Supremes—Corliss, Donna, and Mayfair. They rule the school with a well-manicured fist. For Donna and Corliss, this is the only place they've felt at home. But Mayfair... Mayfair is different. One day, Mayfair disappears, after having met a mysterious older man in town only the day before. The three girls snuck into town together, so Donna and Corliss feel responsible. They know that they have to help find her. But more strongly than their feeling of guilt, one question drives them. They wonder, how could one of the Spindrift geniuses, defined by the logical prowess of their brain, make a decision based purely on the whims of the heart? The four Girls of Spindrift novellas together form a spinoff to Bittersweet Dreams—available now!
