Nectar in a Sieve (Signet Classics) Mass Market Paperback – December 7, 2010 by Kamala Markandaya (Author), Indra Ganesan (Introduction), Thrity Umnigar (Afterword) 4.2 out of 5 stars 142 ratings Part of: SparkNotes Literature Guide Series (46 Books)

"This Is a Novel to Retain in Your Heart and Library" —Milwaukee Journal This beautiful and eloquent story tells of a simple peasant woman in a primitive village in India whose whole life was a gallant and persistent battle to care for those she loved. Married as a child-bride to a tenant farmer she had never seen, she worked side by side in the field with her husband to wrest a living from land that was ravaged by droughts, monsoons, and insects. With remarkable fortitude and courage, she sought to meet changing times and fight poverty and disaster. She saw one of her infants die from starvation, her daughter become a prostitute, and her sons leave the land for jobs which she distrusted. One of the outstanding novels of recent years, this book received unstinting praise from the critics: "An elemental book. It has something better than power, the truth of distilled experience." —New York Herald Tribune "Unique in poetic beauty, in classically restrained and controlled tragedy."—Dorothy Canfield Fisher, noted author and critic "Will wring your hearts."—Associated Press "A superb job in telling her story."—Christian Science Monitor

Based on the original edition, first publication was in the USA in 1954. In a small village in India, a simple peasant woman recalls her life as a child bride, a farmer's wife, and a devoted mother amidst fights to meet changing times, poverty, and disaster. This is the very moving story of a woman in India whose whole life was a gallant and persistent battle to care for those she loved. Markandaya's first published novel Nectar in a Sieve was a bestseller and cited as an American Library Association Notable Book in 1955. Its depiction of rural India and the suffering of its poor made it popular in the West.

This American Library Association Notable Book of 1955 tells the story of a peasant woman in India, married as a child bride to a tenant farmer, working with her husband to wrest a living from land ravaged by droughts, monsoons, and insects. Through years of poverty and disaster, she sees one of her infants die, her daughter become a prostitute, her sons leave for jobs she distrusts--and somehow she survives. Copyright © Libri GmbH. On an English novel by Kamala Markandaya, b. 1924, Indo-Anglian novelist.

Full of humorous stories about gangsters, bootleggers, gamblers, and their women inhabiting New York's Broadway. A world of speakeasies and dancing girls where a gambler or bootlegger is perfectly normal and respectable in every way. Those familiar with "Guys and Dolls" know what to expect!

Full of humorous stories about gangsters, bootleggers, gamblers, and their women inhabiting New York's Broadway. A world of speakeasies and dancing girls where a gambler or bootlegger is perfectly normal and respectable in every way. Those familiar with "Guys and Dolls" know what to expect!

A fully realized portrait of one woman's life in all its complexity, by the National Book Award-winning author An ordinary life—its sharp pains and unexpected joys, its bursts of clarity and moments of confusion—lived by an ordinary woman: this is the subject of Someone, Alice McDermott's extraordinary return, seven years after the publication of After This. Scattered recollections—of childhood, adolescence, motherhood, old age—come together in this transformative narrative, stitched into a vibrant whole by McDermott's deft, lyrical voice. Our first glimpse of Marie is as a child: a girl in glasses waiting on a Brooklyn stoop for her beloved father to come home from work. A seemingly innocuous encounter with a young woman named Pegeen sets the bittersweet tone of this remarkable novel. Pegeen describes herself as an "amadan," a fool; indeed, soon after her chat with Marie, Pegeen tumbles down her own basement stairs. The magic of McDermott's novel lies in how it reveals us all as fools for this or that, in one way or another. Marie's first heartbreak and her eventual marriage; her brother's brief stint as a Catholic priest, subsequent loss of faith, and eventual breakdown; the Second World War; her parents' deaths; the births and lives of Marie's children; the changing world of her Irish-American enclave in Brooklyn—McDermott sketches all of it with sympathy and insight. This is a novel that speaks of life as it is daily lived, a crowning achievement by one of the finest American writers at work today. "Kamala Markandaya, whose Nectar in a Sieve (1955) was a miniature epic about India's poor, returns to the earlier concerns of that book in A Handful of Rice. Ravi is a village son who has left his desolate, destitute home for the promise of the city. There he falls into the company of similarly rootless young men, presided over by the wily city boy, Damodar, who appears fitfully through the book as a seducer to criminal and get-rich-quick schemes which Damodar is clever enough to survive and thrive by. By a chance misdeed, Ravi becomes acquainted with the tailor Apu and his family; Apu's daughter Nalini wins his heart and brings him from the streets into the already crowded household, first as Apu's apprentice, then his son-in-law. The author recreates the life of the respectable poor with moving fidelity as they face the problems of food, illness, unemployment. When Apu dies, the still rebellious but worn Ravi, now a father of three and head of the household, cannot keep his customers. After the death of his son, he reverts to the street, but Damodar now discards him as unfit for dangerous enterprises, and he ends storming the rice supplies with the mob. A portrait in poverty, which is part of the history of our times. It is less compelling than the earlier book as a novel while managing the same concerned compassion."--Kirkus
