NLP (Neuro-Linguistic Programming) has helped millions to overcome their fears, increase their confidence, and achieve greater success in their personal and professional lives and relationships. Now, from the company that created NLP: The New Technology of Achievement—one of the bestselling NLP books of all time—comes NLP: The Essential Guide to Neuro-Linguistic Programming. This user-friendly guide, written by three seasoned NLP Master Practitioners and coaches, leads you on a personal journey in using and applying NLP in everyday life. Through their real-life stories, you will experience the NLP strategies you need to achieve specific results in business and in life. As you read NLP: The Essential Guide, you'll find yourself thinking in new ways and applying the techniques to your own personal challenges and opportunities for greater satisfaction.

The development of a new book about Emotional Intelligence (EI) and Neuro-Linguistic Programming (NLP) and the challenges to managers and engineers is essential because it introduces new lines of research in management and production. The use of EI and NLP allows management to take a more strategic role in organisations. There is a growing importance of sophisticated analysis for managers to support decision making, to use emotional information in order to guide thinking and behaviour, as well as to manage emotions to adapt environments and achieve the organisation's goals. This book addresses several dimensions of EI and NLP and its impact in business and organisation competitiveness. Features Focuses on the latest research findings that are occurring in this field all over the world Shows in what ways companies around the world are facing today's EI and NLP challenges Presents knowledge and insights on an international scale Assists researchers and practitioners in selecting among the different options and strategies, the more relevant priorities to managing competitive organisations Offers the latest developments in the field and of forthcoming international studies

Neuro-Linguistic Programming (NLP) studies brilliance and quality--how outstanding individuals and organizations get their outstanding results. Joseph O'Conner, a leading international NLP trainer and co-author of the bestselling Introducing NLP, offers a step-by-step guide to learning the NLP methods and techniques to help you become the person you want to be in the NLP Workbook. The NLP Workbook is a complete guide to NLP that includes: How to create and achieve outcomes How to choose your emotional state and shift thinking Meta modeling your own internal dialogue All of the basic NLP techniques and training exercises An Action Plan with exercises and suggestions for skill-building O'Conner discusses a range of topics from rapport and trust, and how to visualize, to negotiation skills, mental rehearsal and coaching. NLP Workbook is a book for everyone and anyone interested in NLP. The neophyte will find definitions, examples, and a step-by-step entry into learning how to use NLP, and trainers will discover many new ideas for NLP training.

There is a new powerful and gentle approach to overcoming life's problems. Experience the accounts of people whose lives have been
