~~Only Fools and Horses – The Official Inside Storytakes us behind the scenes to reveal the secrets of the hit show and is fully authorised by the family of John Sullivan, the show's creator and writer. The book is based on dozens of one-to-one interviews conducted by author Steve Clark with the show's stars including Sir David Jason and Nicholas Lyndhurst and key members of the production team.~~

~~Twenty-five million viewers watched the swansong of Only Fools and Horses on BBC1 over Christmas 1996, breaking the BBC's previous audience records. This work is an affectionate tribute to the much-loved show, covering all aspects of its amazing 16-year run, from casting to filming, with in-depth interviews with the stars and a complete episode guide. As well as back-stage facts and anecdotes, this book captures the spirit of survival in the face of adversity and inimitable humour which characterized the series and marked it out as a comedy classic.~~

~~Join the family Trotter with their get-rich-quick scheming and back-of-a-lorry sales pitch. The Rothschilds of Peckham, otherwise known as Trotter's Independent Traders (or TIT for short) cause untold trouble – and laughs – in their bid to become millionaires. This collection covers the first five series of the hilarious BBC sitcom and contains specially-written, original material, including the Trotter Dictionary, Rodney's CV and the Trotter Guide to Seduction. The Bible of Peckham was a Christmas bestseller in hardback, and is now available for the first time in paperback.~~

~~The book has been written by Dan Sullivan and Jim Sullivan, who, as sons of the creator of the series, are uniquely placed to use their knowledge of the show to set such brain-teasers as: What is the title of Rodney's prize winning painting? At what train station do Del and Raquel first meet? According to Trigger he once owned a hat. What colour was it? What does the 'A' on Del's O-level exam results stand for? What is Joan Trotter's middle name? It s a lovely jubbly stocking filler which will entertain all the family and remind them of many classic moments from the much-loved comedy series.~~

~~In the thirty years since viewers first visited Nelson Mandela House, Only Fools and Horses has won countless awards and is still Britain's most-watched and best-loved sitcom. Del Boy's overwhelming popularity has even inspired the Oxford English Dictionary to include a selection of his most famous words and phrases, such as 'lovely jubbly' and 'twonk'. In this fascinating, entertaining and meticulously researched book, acclaimed biographer Graham McCann goes behind the scenes to tell the inside story of Britain's most enduring comedy. With major contributions from the people who wrote, produced and starred in the programme and with material drawn from the BBC archives, it's time to take one last trip down Hooky Street . . .~~

~~Jack-the-lad, wheeler-dealer and international playboy (just ask the manageress of El Sid's, Torremolinos, 1978), this was a man destined for greatness. One day he would mature into an award-winning man of business*, thriving entrepreneur and glittering member of the jet-set. A force of nature, a man who beat the odds, if only for a bit. This is his story. The story of Derek 'Del Boy' Trotter. Who else could tell the glorious tale of rags to riches to rags to rich(ish) but the man himself? You've heard of The Wolf of Wall Street, now meet the Pug of Peckham. *Trotter's Independent Traders, employee of the year 1982 – 2003 [He Who Dares has been written by the family of John Sullivan, creator and writer of Only Fools and Horses, who sadly died in 2011. Ebury Press have produced and published the book with full support and involvement of the family.]~~

~~The Trotter family have been pillars of the Peckham community for decades, so when a bin man found this folder of documents at the bottom of the refuse chute in Nelson Mandela Towers and saw that it had official council and even police documents in it, he thought it might be worth something. He passed it to his gaffer, who passed it to his gaffer, and it was then decided that this valuable overview of the area's modern history seen through the experiences of a family whose connections stretch throughout the borough, should be published in the public interest... Documents include the Trotters' family tree, paperwork from Rodney's school days, snapshots from family holidays, and even the first chapter draft of Rodney's novel. The book will be illustrated with never-before-seen memorabilia and ephemera, from Raquel's original dating agency form, from before she met Del, to a set of prompt cards Del created for Trigger: 'DON'T let Roy~~

Slater fit you up for stealing 3,000 Green Shield stamps ever again, even if you did get an electric blanket and a toaster when you came out of jail. DO try to remember that Dave is actually called Rodney.'

This is the second volume of the Only Fools and Horses Scripts, following up The Bible of Peckham volume I. Every episode of the sixth and seventh series is reproduced in full here. Also included is specially-written material: Albert Trotters Hitler My Part in His Downfall; Whos Who in Peckham, and Del Boys family album.

*** The Hilarious Number One Sunday Times Bestseller! *** The follow-up autobiography to one of Britain's best loved actors and national treasures In his first book David Jason told us about himself from his early years training as an electrician through to making it as one of Britain's greatest actors. This autumn, in a follow up autobiography, he tells us about the many other lives he has lived - his characters. From Del Boy to Granville, Pop Larkin to Frost, he takes us behind the scenes and under the skins of some of the best loved acts of his career. And in the process he reflects on how those characters changed his life too. The result told with his characteristic charm and wit is both funny and poignant, honest and heart warming.
