date resource available to help you prepare for the exam. Updated with new and changed terminology, this edition incorporates the concepts from the five performance domains. It has also refashioned the questions from some being definition-based to all being scenario-based. The book features practical study hints, a list of major topics covered on the exam, and a bibliographic reference for further study. The two challenging, 170-question practice tests included in the book and on the book's Web site simulate the PMI® exam and will allow you to retake the practice tests as many times as you would like. Supplying an insider's look at the questions, phrases, terminology, and sentence construction you will encounter on the actual exam, this indispensable study tool was created to help you pass the exam and become PgMP® certified. Watch co-author Ginger Levin discuss how the PgMP® Exam Practice Test and Study Guide, Third Edition can help you pass the PgMP® exam, the first time around.
