revision resource designed specifically for this high-stakes exam. Containing over 350 Best of Five multiple choice questions, this dedicated guide will help candidates to prepare successfully. The content mirrors the SCE in Acute Medicine Blueprint to ensure candidates are fully prepared for all the topics that may appear in the exam. Topics range from how to manage acute problems in cardiology or neurology to managing acute conditions such as poisoning. All answers have full explanations and further reading to ensure high quality self-assessment and quick recognition of areas that require further study.

Single Best Answer (SBA) examinations are an increasingly popular means of testing medical students and those undertaking postgraduate qualifications in a number of subject areas. Written by a final-year medical student, junior doctors, and experienced clinicians, 450 Single Best Answers in the Clinical Specialties provides invaluable guidance from authors who understand from personal experience that detailed and accurate explanations are the key to successful revision. The presentation of questions arranged by specialty area, coupled with the clear discussion of how the correct answer was reached and other options ruled out for every question, make this book an excellent learning aid during all stages of clinical studies, and particularly while preparing for medical finals.
