What began that night shocked Duke University and Durham, North Carolina. And it continues to captivate the

nation: the Duke lacrosse team members' alleged rape of an African-American stripper and the unraveling of the case against them. In this ever-deepening American tragedy, Stuart Taylor Jr. and KC Johnson argue, law enforcement, a

prosecutor, biased  
journalists, and left-  
leaning academics  
repeatedly refused  
to pursue the truth  
while scapegoats

recklessly  
tarnishing their  
lives. The story  
harbors multiple  
dramas, including

the actions of a DA running for office; the inappropriate charges that should have been apparent to academics at Duke many months ago; the local and national media, who were so slow to take account of the publicly available evidence;
