Design mods continue on the new ALMA large chamber soprano mouthpiece. Distinguished player and educator Paul Cohen was kind enough to put it through its paces and report his assessments to me. And he sent along a few sound clips of him playing it. Here is a short segment of RHAPSODY IN BLUE, performed on his vintage curved soprano, using the ALMA and 3.5 reeds.

rhapsody in blue Archives - SaxStation

The dissertation consists of two parts, an analytical essay and a composition. The essay starts from the fact that the musical worth of the Rhapsody in Blue has often been questioned, despite its having been a fixture of the repertoire since its premiere. A close (Schenkerian) analysis shows the flaws of the piece in detail.

Talent and Technique: George Gershwin's 'Rhapsody in Blue ...

George Gershwin "Rhapsody in Blue (Andante & Finale) - Bb ...

The opening clarinet gliss in Gershwin's classic is so well known that it might seem sacrilegious to arrange it for another instrument. I had encountered several other arrangements of 'Rhapsody in Blue' for quartet that had negotiated the gliss in various ways e.g. by splitting it between two saxes or retaining the clarinet in the opening bars.

The wind accompaniment to George Gershwin's popular piano solo, Rhapsody in Blue, is based upon the 1924 and 1926 Grofe editions for jazz band and theatre orchestra. Donald Hunsberger has scored this edition for 23 players which produces a leaner and more muscular version to serve as a companion to Thomas Verrier's setting for full concert band or wind ensemble. (See Verrier listing above under Grade IV-V.)

In Arranging Gershwin, author Ryan Bañagale approaches George Gershwin's iconic piece Rhapsody in Blue not as a composition but as an arrangement -- a status it has in many ways held since its inception in 1924, yet one unconsidered until now. Shifting emphasis away from the notion of the Rhapsody as a static work by a single composer, Bañagale posits a broad vision of the piece that acknowledges the efforts of a variety of collaborators who shaped the Rhapsody as we know it today. Arranging Gershwin sheds new light on familiar musicians such as Leonard Bernstein and Duke Ellington, introduces lesser-known figures such as Ferde Grofé and Larry Adler, and remaps the terrain of this emblematic piece of American music. At the same time, it expands on existing approaches to the study of arrangements -- an emerging and insightful realm of American music studies -- as well as challenges existing and entrenched definitions of composer and composition. Based on a host of newly discovered manuscripts, the book significantly alters existing historical and cultural conceptions of the Rhapsody. With additional forays into visual media, including the commercial advertising of United Airlines and Woody Allen's Manhattan, it moreover exemplifies how arrangements have contributed not only to the iconicity of Gershwin and Rhapsody in Blue, but also to music-making in America -- its people, their pursuits, and their processes.

(Instrumental Folio). This jam-packed collection features 130 hits from the past and present, across a variety of genres such as rock, country and folk. Popular songs include: Bennie and the Jets * Can You Feel the Love Tonight * Good Vibrations * I Hope You Dance * In the Mood * La Bamba * Let It Be * A Moment like This * My Favorite Things * Y.M.C.A. * and scores more!

The composer Witold Lutostawski (born 1913) is one of the outstanding musical personalities of the twentieth century. In this critical biography Steven Stucky traces Lutostawski's development from the Stravinsky-influenced music of his student days to his emergence in the 1960s as a leading avant-gardist. Since the vicissitudes of cultural life in his native Poland have profoundly affected the composer's career, the book includes detailed accounts of Lutostawski's official censure for 'formalism' in the late 1940s and the leading role he later played in a flourishing Polish modernist movement. Both well-known works, such as the Concerto for Orchestra, Trois poemes d'Henri

Michaux and the Second Symphony, and the lesser-known early music are considered in detail. Fragments of many compositions never before published in the West are included. There are also analytical summaries of each major work from *Jeux véitiens* (1961) to *Mi-parti* (1976).

A B-Flat Clarinet Solo by George Gershwin, arranged by Walter Beeler.

Explores music produced during the lifetime of Duke Ellington and the pursuit of musicians to keep up with constantly changing modern life.

In this second volume of Rayno's magisterial treatment of the life and music of this remarkable maestro, Whiteman's career during the second half of his life is explored in the fullest detail, as Whiteman conquers the worlds of theater and vaudeville, the concert hall, radio, motion pictures, and television, winning accolades in all of them. Through hundreds of interviews, extensive documentation, and exhaustive research of over nearly three decades, a portrait emerges of one of American music's most important musical figures during the last century. Rayno paints a stunning portrait of Whiteman's considerable accomplishments and far-reaching influence.

American composer George Gershwin, an icon of the American Jazz Age, indelibly marked 20th-century music, with many of his works becoming standards in the popular and jazz music repertory. This major bibliography includes a brief biography, which examines Gershwin's influence and situates him within the cultural context of his time, a complete cross-reference list of all his compositions, a discography of more than 1,150 items, and a descriptive filmography. The extensive bibliography includes writings by both George and Ira and more than 2,100 entries about George's compositions.

(Instrumental). A collection of nearly 40 fantastic sax solos from these hit songs: After the Love Has Gone * Bad to the Bone * Badlands * Baker Street * Born to Run * Careless Whisper * Dancing in the Dark * Freeway of Love * I Can't Go for That * It's Still Rock and Roll to Me * Modern Love * New York State of Mind * One More Night * Smooth Operator * Waiting on a Friend * Young Americans * and more!

A resource on classical music provides coverage of composers, works, musical terminology, and performers, along with recommended recordings and access to an interactive Web site that allows readers to listen to sample works, techniques, and performers discussed in the reference.
