London, early May 1940- Britain is on the brink of war and Neville Chamberlain's government is about to fall. It is hard for us to imagine the Second World War without Winston Churchill taking over at the helm, but in SIX MINUTES IN MAY Nicholas Shakespeare shows how easily events could have gone in a different direction. The first land battle of the war was fought in the far north, in Norway. It went disastrously for the Allies and many blamed Churchill. Yet weeks later he would rise to the most powerful post in the country, overtaking Chamberlain and the favourite to succeed him, Lord Halifax. It took just six minutes for MPs to cast the votes that brought down Chamberlain. Shakespeare shows us both the dramatic action on the battlefield in Norway and the machinations and personal relationships in Westminster that led up to this crucial point. Uncovering fascinating new research and delving deep into the backgrounds of the key players, he has given us a new perspective on this critical moment in our history.

London, early May 1940: Britain is on the brink of war and Neville Chamberlain's government is about to fall. It is hard for us to imagine the Second World War without Winston Churchill taking over at the helm, but in SIX MINUTES IN MAY Nicholas Shakespeare shows how easily events could have gone in a different direction. The first land battle of the war was fought in the far north, in Norway. It went disastrously for the Allies and many blamed Churchill. Uncovering fascinating new research and delving deep into the backgrounds of the key players, he has given us a new perspective on this critical moment in our history.

A fascinating and dramatic investigation into the events that led to Winston Churchill becoming Prime Minister against the odds. 'A gripping story of Churchill's unlikely rise to power' Observer London, May 1940. Britain is under threat of invasion and Neville Chamberlain's government is about to fall. It is hard for us to imagine the Second World War without Winston Churchill taking the helm, but in Six Minutes in May Nicholas Shakespeare shows how easily events could have gone in a different direction. It took just six minutes for MPs to cast the votes that brought down Chamberlain. Shakespeare moves from Britain's disastrous battle in Norway, for which many blamed Churchill, on to the dramatic developments in Westminster that led to Churchill becoming Prime Minister. Uncovering fascinating new research and delving into the key players' backgrounds, Shakespeare gives us a new perspective on this critical moment in our history. 'Totally captivating. It will stand as the best account of those extraordinary few days for very many years' Andrew Roberts 'Superbly written... Shakespeare has a novelist's flair for depicting the characters and motives of men' The Times 'Utterly wonderful... It reads like a thriller' Peter Frankopan SHORTLISTED FOR THE HWA NON-FICTION CROWN 2018 *** Selected as a 2017 Book of the Year in the Guardian, Daily Telegraph, Observer and The Economist ***

Dear President Bush, My name is Kimberly Anne Muse. I am writing this letter not for me but for my father, Kurt Frederick Muse. As you should know by now, he is a political prisoner in Panama. . . . Born in the United States and raised in Panama, Kurt Muse grew up with a deep love for his adopted country. But the crushing regime of General Manuel Noriega in the late 1980s threatened his, and a nation's, freedom. A nightmare of murder and unexplained disappearances compelled Kurt and a few trusted friends to begin a clandestine radio campaign, urging the people of Panama to rise up for their basic human rights. Six Minutes to Freedom is the remarkable tale of Kurt Muse's arrest and harrowing months of imprisonment; his eyewitness accounts of torture; and the plight of his family as they fled for their lives. It is also the heart-pounding account of the only American civilian ever rescued by the elite Delta Force. Timelier than ever, this is a thrilling and highly personal narrative about one man's courage and dedication to his beliefs. "A cliffhanger drama of survival against all odds." --Jeffery Deaver "A dramatic portrayal of idealism, courage, integrity, and fortitude." --John Douglas and Mark Olshaker "A must-read for anyone interested in how Delta Force operates." --John Weisman "Harrowing, entertaining, inspiring, and very, very readable." --Col. Lee A. Van Arsdale, U.S. Army Special Forces (Ret) "A thrilling chronicle that puts a human face on unspeakable actions." --Continental magazine A Featured Alternate of the Military Book Club

An unputdownable thriller for fans of Liane Moriarty and Caroline Overington. If you were gripped watching The Cry, you'll be hooked on Six Minutes.

The Mumbai 7/11 train bombings in 2006 were one of the deadliest terror attacks the city had seen after the 1993 blast. The attacks orchestrated by the terror outfit Lashkar-e-Taiba and Pakistan's Inter-Services Intelligence (the ISI) were aimed to cripple the city by attacking its lifeline—the local train. A series of seven blasts in a span of only six minutes rocked the city at seven railway stations, killing 189 and injuring over 700. Six Minutes of Terror is the first investigative book that will present a blow by blow account of the events that led to the terrorist attack, profile the people involved in the blasts as well as describe how the plot was unearthed by the police. Superbly researched, with painstaking detail, the book tries to delve into the minds of the home-grown terrorists—who created unprecedented havoc and claimed innocent lives—ten years after the horrifying attacks.
