Two short tests for every unit (one for lessons A-C and one for lessons D-G), testing vocabulary, grammar, and everyday English Longer Progress Test for every unit, checking reading, listening, and writing skills Differently worded A and B tests, whilst examining the same core language, ensure that students are unable to copy from one another, making classroom management during tests easier for teachers Three Cumulative Tests to cover units 1-5, 6-10, and 1-10 Multiple choice-style Placement Test Typical exam-type tasks to help students prepare for school-leaving exams

This pack consists of the Student's Book with answers with CD-ROM and Class Audio CDs. The Student's Book fully prepares students to tackle each part of every exam paper. Unique grammar and vocabulary exercises train students to avoid common mistakes. The interactive CD-ROM provides comprehensive extra practice of the language and topics covered in the book and supports mixed ability focusing on students' own particular areas of difficulty. The Class Audio CDs contain the recordings for the listening exercises in the Student's Book. A full practice test is available online for teachers to access.

A new, refreshed edition of the five-level English course for teenagers, with a clear structure, supported approach to speaking, practice, and exam preparation still at its heart. Solutions has been thoroughly modernized with 80% new content to draw in students, embed the grammar and vocabulary presented, and engage them in the tasks. Its guided approach builds up every student's confidence, through step-by-step objectives, lots of practice, meaningful personalization activities, and exam preparation tasks. The course now embraces a wide range of teaching methods, furnishing the teacher with a flexible pick-and-choose package for use in the classroom, at home, and on the move. The digital elements of the course enliven the material and allow teachers to vary the pace and focus of their lessons. Solutions turns all students into active learners, by offering a rich variety of learning opportunities for a whole range of abilities through extension and revision activities in all components - giving everyone a sense of achievement whatever their level. The Solutions Second Edition DVD-ROM material and worksheets bring the language to life by taking it out of the classroom and into authentic settings

An electronic placement test for learners of English, produced in collaboration with the University of Cambridge ESOL Examinations (formerly UCLES). Pen and paper version also available.

Using authentic data to make math meaningful to students, Jay Lehmann's algebra series uses a curve-fitting approach to model compelling, real-world situations, while answering the perennial question "But what is this good for?" Beginning with interesting data sets, students are asked to find models and derive equations to fit a scenario, helping them to understand functions graphically, numerically, and symbolically. Updated exercises, labs, and graphs deepen students' understanding of core concepts and keeps them motivated to learn. **ALERT:** Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable.
