This book in the series focuses on the more well known "true" ghost stories of New York City. I was actually surprised by how many of the stories in this book were unknown to me. I have a bit of a thing for this type of book, and television show. I will definitely be reading more of the books in this series and by this author.

Few states can rival California in terms of natural beauty and exciting history. But nearly three centuries of violent crime, sickness, greed, and murder have tarnished the Golden State and made it ripe for ghosts and hauntings. From the Spanish priests who founded the first missions in their quest to bring Christianity to the Native people of the region, to the ill-fated Donner Party committing acts of cannibalism in order to survive. This book explores the most famous ghost stories from California's past (dating back to the 18th century) with spine-tingling details that will delight readers.
