Reducing news to hard lines and side-taking leaves a lot of the story untold. Progress comes from challenging what we hear and considering different views.

A haunting examination of groupthink and mass hysteria in a rural community The place is Salem, Massachusetts, in 1692, an enclave of rigid piety huddled on the edge of a wilderness. Its inhabitants believe unquestioningly in their own sanctity. But in Arthur Miller's edgy masterpiece, that very belief will have poisonous consequences when a vengeful teenager accuses a rival of witchcraft—and then when those accusations multiply to consume the entire village. First produced in 1953, at a time when America was convulsed by a new epidemic of witch-hunting, *The Crucible* brilliantly explores the threshold between individual guilt and mass hysteria, personal spite and collective evil. It is a play that is not only relentlessly suspenseful and vastly moving but that compels readers to fathom their hearts and consciences in ways that only the greatest theater ever can. "A drama of emotional power and impact" —New York Post

A literary study guide that includes summaries and commentaries.

The perfect companion to Arthur Miller's "The Crucible," this study guide contains a Act by Act analysis of the play, a summary of the plot, and a guide to major characters and themes. BookCap Study Guides do not contain text from the actual book, and are not meant to be purchased as alternatives to reading the book.

The *Crucible* is Miller's classic dramatisation of the witch-hunt and trials that besieged the Puritan community of Salem in 1692. This definitive critical edition of the play features a comprehensive commentary, notes and questions prepared by one of the leading international Miller experts in consultation with the author's estate.

LitPlan Teacher Packs have a foundation of materials for teaching works of literature. THE STORY: The story focuses upon a young farmer, his wife, and a young servant-girl who maliciously causes the wife's arrest for witchcraft. The farmer brings the girl to court to admit the lie--and it is here that the monstrous course of bigotry a

In the Way of the SEAL, ex-Navy Commander Mark Divine reveals exercises, meditations and focusing techniques to train your mind for mental toughness, emotional resilience and uncanny intuition. Along the way you'll reaffirm your ultimate purpose, define your most important goals, and take concrete steps to make them happen. A practical guide for businesspeople or anyone who wants to be an elite operator in life, this book will teach you how to: · Lead from the front, so that others will want to work for you · Practice front-sight focus, the radical ability to focus on one thing until victory is achieved · Think offense, all the time, to eradicate fear and indecisiveness · Smash the box and be an unconventional thinker so you're never thrown off-guard by chaotic conditions · Access your intuition so you can make "hard right" decisions · Achieve twenty times more than you think you can · and much more Blending the tactics he learned from America's elite forces with lessons from the Spartans, samurai, Apache scouts, and other great warrior traditions, Divine has distilled the fundamentals of success into eight powerful principles that will transform you into the leader you always knew you could be. Learn to think like a SEAL, and take charge of your destiny at work, home and in life.

The Crucible still has permanence and relevance a half century after its initial publication. This powerful political drama set amidst the Salem witch trials is commonly understood as Arthur Miller's poignant response to McCarthyism. Filled with fresh essays about the play, the new edition of this invaluable literary guide features a bibliography and notes on the essay contributors.
