Join FunJungle 's resident zoo sleuth, Teddy Fitzroy, as he solves mysteries and strives to protect the animals at the zoo with the first three funny and suspenseful novels of the bestselling FunJungle series from New York Times bestselling author Stuart Gibbs, now available together in one collectible boxed set! It all starts when the hippo goes belly up—and it 's a wild ride from there. When Teddy Fitzroy moved into FunJungle, the nation 's largest zoo, with his scientist parents, he expected things to be kind of quiet. There 'd be the occasional elephant stampede and water balloon fight with the chimpanzees, of course, but when Henry the Hippo dies from not-so-natural causes, Teddy suspects foul play. And that was just the beginning. He begins to realize that the zoo is far more exciting than he thought it was, and soon the mysteries at FunJungle are piling up... This collectible boxed set includes hardcover editions of Belly Up, Poached, and Big Game.

Twelve-year-old Theodore "Teddy" Roosevelt Fitzroy believes that Henry, the hippopotamus at the brand-new FunJungle, has been murdered. The zoo's top brass claim the hippo went belly up the natural way, but Teddy and his feisty friend Summer McCracken have other ideas. Could the culprit be FunJungle's animal-hating head of operations? Or is it FunJungle's owner—Summer's dad—a man who is much more concerned about money than animal welfare? The deeper Teddy and Summer dig, the more danger they're in—because when it comes to hippo homicide, the truth can't be caged!

Teddy Fitzroy's back for another zoo mystery—this time it's a koala caper—in this action-packed follow-up to *Belly Up* that School Library Journal called a “whopper of a whodunit that delivers plenty of suspects, action, slapstick, gross bodily functions, red herrings, and animal trivia.” School troublemaker Vance Jessup thinks Teddy Fitzroy's home at FunJungle, a state-of-the-art zoo and theme park, is the perfect place for a cruel prank. Vance bullies Teddy into his scheme, but the plan goes terribly awry. Teddy sneaks into the koala exhibit to hide out until the chaos dies down. But when the koala goes missing, Teddy is the only person caught on camera entering and exiting the exhibit. Teddy didn't commit the crime—but if he can't find the real culprit, he'll be sent to juvie as a convicted koala-napper.

"Someone is trying to hunt FunJungle's Asian greater one-horned rhinoceros, and twelve-year-old Teddy Fitzroy is on the case."--

Follow FunJungle's resident zoo sleuth, Teddy Fitzroy, in the first three funny and suspenseful mysteries of Stuart Gibbs's New York Times bestselling FunJungle series. Now available in a collectible paperback boxed set! When Teddy Fitzroy moved into FunJungle, the nation's largest zoo, with his scientist parents, he expected

And that ' s just the beginning. He begins to realize that the zoo is far more exciting than he thought it was, and soon the mysteries at FunJungle are piling up... This adventurous boxed set includes: Belly Up Poached Big Game

New York Times bestselling author Teddy Fitzroy returns as FunJungle ' s resident sleuth when the zoo ' s newest addition goes missing—before she even arrives!—in the latest novel in New York Times bestselling author Stuart Gibbs ' s FunJungle series. FunJungle is frenzied, awaiting the arrival of its most thrilling animal yet—Li Ping—a rare and very expensive giant panda that the zoo went to enormous lengths to secure. But when the truck transporting Li Ping shows up, its precious cargo has vanished into thin air. The FBI steps in to investigate, and Teddy is happy to leave the job in their (supposedly) capable hands. After all, FunJungle has never encountered a crime this serious. But when someone threatens to blackmail Teddy ' s girlfriend, Summer, if he doesn ' t solve the crime, his involvement in this mystery is no longer black and white.

Thirteen-year-old Teddy Fitzroy and his girlfriend, Summer, investigate when a mountain lion is accused of killing a prized dog outside of FunJungle Wild Animal Park in the Texas Hill Country.

Join New York Times bestselling author Stuart Gibbs on three adventures filled with humorous hijinks, madcap mysteries, and tons of fun with this starter collection that includes the first books of the FunJungle, Spy School, and Moon Base Alpha series. Discover the wilder side of life in the FunJungle theme park, learn what it takes to become a spy at the Academy of Espionage, and find out how life on the moon isn ' t quite what you ' d expect—all in one

collection! This boxed set that includes paperback editions of Belly Up, Spy School, and Space Case is the perfect gift for fans of mystery, adventure, and over-the-top fun!

In this read-along picture book, a classroom full of young dinosaurs plays with toys, does art projects, and reads books. But each activity is another opportunity for the over-enthusiastic Tyrannosaurus Rex to wreak havoc. Parents and young children will love the call-and-response nature of the book, and young dinosaur fans will appreciate the listing (and pronunciation guide) for a dozen different dino species. The format is extra vertical in order to accommodate T. Rex 's biggest messes. Praise for Tyrannosaurus Wrecks "Punchy writing, an equally in-your-face palette, and O'Hora 's characteristically brash painting style make this as much a stompalong as a readaloud." --Publishers Weekly "Along with the pleasure of pronouncing those multisyllabic dino names, young audiences may find food for thought in the behavioral dynamics on display." --Kirkus Reviews "Warmly colored with childlike bodies and emotive faces, O'hora 's dinosaurs are among the cutest you will come across in children 's books." --Booklist "The brief rhyming text, which scans well, tells a story with child appeal. There is a good balance of two-to-three word sentences with large, uncluttered illustrations, making the book a good choice for reading aloud. In their simplicity, the brightly colored pictures have the look of children 's art, but they enhance the classroom setting appropriately with interesting details." --School Library Journal "The shapely dinos, whose rough charcoal-style outlines and strong colors vividly contrast with the white or sometimes black backgrounds, are chunky and friendly in an eight-crayon-box color scheme and snazzy Peanuts-reminiscent outfits." --Bulletin of the Center for Children 's Books "Together the chanting rhythm, ragged lines, and setting of an un-chaperoned dinosaur class create a satisfyingly high-energy, primal read-aloud strongly reminiscent of Bob Shea 's 'Dinosaur vs.' series." --The Horn Book Magazine

“ Fast-paced, smart, and action-packed...a real page-burner. ”  
—Chris Grabenstein, #1 New York Times bestselling author of the Mr. Lemoncello ’ s Library series From New York Times bestselling author Stuart Gibbs comes the first novel in a thrilling new series about the world ’ s youngest and smartest genius who ’ s forced to use her unbelievable code-breaking skills to outsmart Einstein. Charlie Thorne is a genius. Charlie Thorne is a thief. Charlie Thorne isn ’ t old enough to drive. And now it ’ s up to her to save the world... Decades ago, Albert Einstein devised an equation that could benefit all life on earth—or destroy it. Fearing what would happen if the equation fell into the wrong hands, he hid it. But now, a diabolical group known as the Furies are closing in on its location. In desperation, a team of CIA agents drags Charlie into the hunt, needing her brilliance to find it first—even though this means placing her life in grave danger. In a breakneck adventure that spans the globe, Charlie must crack a complex code created by Einstein himself, struggle to survive in a world where no one can be trusted, and fight to keep the last equation safe once and for all.
