The Nun: Amazon.co.uk: Denis Diderot, R. Dense ... Diderot's The Nun (La Religieuse) is the seemingly true story of a young girl forced by her parents to enter a convent and take holy orders. A novel mingling mysticism, madness, sadistic cruelty and nascent sexuality, it gives a scathing insight into the effects of forced vocations and the unnatural life of the convent.

The Nun - Denis Diderot - Oxford University Press His novel, The Nun (La Religieuse), began life as a hoax to lure a friend back to Paris from his country estate. Completely absorbed, Diderot tinkered with it for years, finally developing it into a major work of fiction. The novel was eventually published 12 years after he died.

Book Review: The Nun (La Religieuse) by Denis Diderot The Nun is an authentic treatise on 'woman' wherein Diderot looks deeply into certain problems of our human existence, the ones that continue to plague us despite the world having changed radically. France, the most intellectually and culturally developed country in the second half of the 18th century, continued for a long time to uphold the moral dictates of the Ancien Regime.

The Nun - Denis Diderot - Google Books Denis Diderot, (born October 5, 1713, Langres, France—died July 31, 1784, Paris), French man of letters and philosopher who, from 1745 to 1772, served as chief editor of the Encyclopédie, one of the principal works of the Age of Enlightenment.

The seemingly true story of a young girl forced by her parents to enter a convent and take holy orders.

In 1758 Diderot's friend the Marquis de Croismare became interested in the cause célèbre of a nun who was appealing to be allowed to leave a Paris convent. Less than a year later, in an affectionate attempt to trick his friend, Diderot created this masterpiece - a fictitious set of desperate and pleading letters to the Marquis from a teenage girl forced into the nunnery because she is illegitimate. In these letters, the impressionable and innocent Suzanne Simonin describes the cruelty and abuse she has suffered in an institution poisoned by vicious gossip, intrigues, persecutions and deviance. Considered too subversive during Diderot's lifetime, The Nun first appeared in print in 1796 following the Revolution. Part gripping novel, part licentious portrayal of sexual fervour and part damning attack on oppressive religious institutions, it remains one of the most utterly original works of the many eighteenth-century.

Unlock the more straightforward side of The Nun with this concise and insightful summary and analysis! This engaging summary presents an analysis of The Nun by Denis Diderot, a novel which fiercely criticises the cruelty and excesses of the Church. Through the main character, the innocent novitiate Suzanne Simonon, and the ordeals she undergoes at two convents, the author condemns the power that has been placed in the hands of the sadistic nuns and delivers a passionate argument in favour of freedom of thought and expression. The Nun was published posthumously in 1796 and was an immediate success, as its support of tolerance, justice and liberty was seen as a clear illustration of the values of the French Revolution. Denis Diderot was a leading writer of the Enlightenment in the 18th century, and wrote novels, plays, philosophical dialogues and essays. Find out everything you need to know about The Nun in a fraction of the time! This in-depth and informative reading guide brings you:

The clear and concise style makes for easy understanding, providing the perfect opportunity to improve your literary knowledge in no time. See the very best of literature in a whole new light with BrightSummaries.com!

Memoirs of a Nun, which began as a joke and grew into a masterpiece, was one of the loudest salvos fired in the continuing battles between the clergy and the intelligentsia which defined so much of eighteenth-century French history. Diderot's story of a novice held in a convent against her will and forced to undergo curious spiritual and sexual trials displays all the brilliance, icy wit, and worldliness of the Enlightenment at its best.

A spirited biography of the prophetic and sympathetic philosopher who helped build the foundations of the modern world, Denis Diderot is often associated with the decades-long battle to bring the world's first comprehensive Encyclopédie into existence. But his most daring writing took place in the shadows. Thrown into prison for his atheism in 1749, Diderot decided to reserve his best books for posterity—for us, in fact. In the astonishing cache of unpublished writings left behind after his death, Diderot challenged virtually all of his century's accepted truths, from the sanctity of monarchy, to the racial justification of the slave trade, to the norms of human sexuality. One of Diderot's most attentive readers during his lifetime was Catherine the Great, who not only supported him financially, but invited him to St. Petersburg to talk about the possibility of democratizing the Russian empire. In this thematically organized biography, Andrew S. Curran vividly describes Diderot's tormented relationship with Rousseau, his curious correspondence with Voltaire, his passionate affairs, and his often iconoclastic stands on art, theater, morality, politics, and religion. But what this book brings out most brilliantly is how the writer's personal turmoil was an essential part of his genius and his ability to flout taboos, dogma, and convention.

One of the key figures of the French Enlightenment, Denis Diderot was a passionate critic of conventional morality, society and religion. Among his greatest and most well-known works, these two dialogues are dazzling examples of his radical scientific and philosophical beliefs. In Rameau's Nephew, the eccentric and foolish nephew of the great composer Jean-Philippe Rameau meets Diderot by chance, and the two embark on a hilarious consideration of society, music, literature, politics, morality and philosophy. Its companion-piece, D'Alembert's Dream, outlines a material, atheistic view of the universe, expressed through the fevered dreams of Diderot's friend D'Alembert. Unpublished during his lifetime, both of these powerfully controversial works show Diderot to be one of the most advanced thinkers of his age, and serve as fascinating testament to the philosopher's wayward genius.

Representations of convents and nuns assumed power and urgency within the volatile political culture of eighteenth-century France. Drawing from a range of literary, cultural, and legal material, Mita Choudhury analyzes how, between 1730 and 1789, lawyers, religious pamphleteers, and men of letters repeatedly asked, "Who should control the female convent and women religious?" These sources chronicled the conflicts between nuns and the male clergy, among nuns themselves, and between nuns and their families, conflicts that were presented to the public in the context of potent issues such as despotism, citizenship, female education, and sexuality. The cloister operated as a symbol of despotism, the equivalent of the Sultan's seraglio or the King's Bastille. Before 1770, lawyers and magistrates praised nuns as the personification of virtuous Christian women, often victims vulnerable to those who would use them to further their own political ends. After 1770, men of letters evaluated nuns according to more secular norms, and concluded that the convent had no purpose in society, except as a reminder of the problems inherent in the Old Regime. Choudhury elaborates on how nuns were not always passive entities, mere objects to be shaped by the political needs of others. But because they relied on men in order to make their voices heard, the place of women religious in the public sphere was a complex one based on negotiations between female action and male subjectivity. During the French Revolution, whatever support they had enjoyed was lost as republicans and moderates began to see nuns as potentially disruptive to the social order, family life, and revolutionary values.
