parent plant, it travels a very long way. Finally it lands on fertile earth, and the tiny seed grows and grows and grows – becoming the tallest, biggest flower for miles around! Then one day the wind blows and thousands of new tiny seeds begin a journey of their own...

~~The Tiny Seed – Scholastic Shop~~

The story starts when flower pods burst and send out their seeds on the wind. Not all of the seeds survive the journey, but the tiny seed lands in good soil and begin to grow. The tiny seed grows a lot slower than everyone else, but eventually transforms into an enormous plant with beautiful flowers.

A skill-building edition of the classic story about the life cycle of a flower is told through the adventures of a tiny seed that floats across the sky, nestles in the ground and grows into the giant flower it was always meant to be. Simultaneous.

There is magic in every tiny seed. The seeds that come in little paper packets and those that fall from flowers and plants. In every garden and every flowerpot, magic can grow. With a little sunlight, a little water, and a little help from birds and worms and bees, a tiny seed sprouts, a plant grows, and a beautiful flower blooms. There is

magic in every tiny seed. And in this book, you become the magician. How? Press the seed into the ground, wiggle your fingers to add water, clap to bring the sun. And then . . .turn the page. What can grow from one tiny seed? Press, tap, wiggle, and jiggle to start the magic! Press the seed—don't be shy! Wiggle your fingers to add some water. Clap your hands to bring the sun. Wow! A beautiful flower!

Read along as a little seed goes on a grand adventure to become a flower in this book and CD package from children's book legend Eric Carle that's narrated by award-winning actor Stanley Tucci. Eric Carle's classic story of the life cycle of a flower is told through the adventures of a tiny seed. Everyone will cheer for the seed's progress as it floats across the sky, nestles in the ground, and finally

grows into the giant flower it was always meant to be. This classic story is now available in a book and CD package!

How does an acorn become a mighty oak tree? What does a tiny sunflower seed need to grow into a tall yellow flower? In this title, readers will investigate how plants grow and how they disperse their seeds. They'll also discover that many of the foods we eat are seeds!

Two friends plant seeds in their community garden, then water, weed, wait and dream as the plants grow until they can be harvested. Includes facts about gardening and harvest festivals.

The Little Seed tells the story of a small seed as she learns about her

Get Free The Tiny Seed The World Of Eric Carle

destiny and place in the world and matures along that journey. Young readers will be drawn by the engaging story and rich illustrations, while older ones will be challenged and encouraged by the thought-provoking parable presented as the seed contemplates her experiences and begins to understand the purpose for which she was created. The story's layers of meaning will, hopefully, entice readers to return again and again to the simplicity of its message: waiting for wisdom, learning what it means to 'grow' in faith, and understanding that everyone has a purpose in living. The book features illustrations by Sydney Durrett, an up-and-coming young artist who works out of her own studio, Durrett Designs, in Charlotte, North Carolina. Sydney's beautiful creations will make this book a treasure for any library!
