Tiger-Tiger discovers that when he is feeling sad, if he answers the four questions that Turtle suggests, he can change his tears to smiles. Includes "A note from Byron Katie" with "The Four Questions and Turnaround."

It's December 1997 and a man-eating tiger is on the prowl outside a remote village in Russia's Far East. The tiger isn't just killing people, it's annihilating them, and a team of men and their dogs must hunt it on foot through the forest in the brutal cold. To their horrified astonishment it emerges that the

attacks are not random; the tiger is engaged in a vendetta. Injured and starving, it must be found before it strikes again, and the story becomes a battle for survival between the two main characters: Yuri Trush, the lead tracker, and the tiger itself. As John Vaillant vividly recreates the extraordinary events of that winter, he also gives us an unforgettable portrait of a spectacularly beautiful region where plants and animals exist that are found nowhere else on earth, and where the once great Siberian Tiger - the largest of its species, which can weigh over 600 lbs at more than 10 feet long - ranges daily over vast territories of forest and mountain, its numbers diminished to a fraction

of what they once were. We meet the native tribes who for centuries have worshipped and lived alongside tigers - even sharing their kills with them - in a natural balance. We witness the first arrival of settlers, soldiers and hunters in the tiger's territory in the 19th century and 20th century, many fleeing Stalinism. And we come to know the Russians of today - such as the poacher Vladimir Markov - who, crushed by poverty, have turned to poaching for the corrupt, high-paying Chinese markets. Throughout we encounter surprising theories of how humans and tigers may have evolved to coexist, how we may have developed as scavengers rather than hunters and how early

Homo sapiens may have once fit seamlessly into the tiger's ecosystem. Above all, we come to understand the endangered Siberian tiger, a highly intelligent super-predator, and the grave threat it faces as logging and poaching reduce its habitat and numbers - and force it to turn at bay. Beautifully written and deeply informative, *The Tiger* is a gripping tale of man and nature in collision, that leads inexorably to a final showdown in a clearing deep in the Siberian forest.

One summer day, Margaux Fragozo meets Peter Curran at the neighborhood swimming pool, and they begin to play. She is seven; he is fifty-one. When Peter invites her and her mother to his house, the little girl finds a child's paradise of exotic pets and an elaborate backyard garden. Her mother, beset by mental illness and overwhelmed by caring for Margaux, is grateful for the attention Peter lavishes on her, and he creates an imaginative universe for her, much as Lewis Carroll did for his real-life Alice. In time, he insidiously takes on the role of Margaux's playmate, father, and lover. Charming and manipulative, Peter burrows into every aspect of Margaux's life and

Read Free Tiger Tiger Is It True Four Questions To

transforms her from a child fizzing with imagination and affection into a brainwashed young woman on the verge of suicide. But when she is twenty-two, it is Peter—ill, and wracked with guilt—who kills himself, at the age of sixty-six. Told with lyricism, depth, and mesmerizing clarity, *Tiger, Tiger* vividly illustrates the healing power of memory and disclosure. This extraordinary memoir is an unprecedented glimpse into the psyche of a young girl in free fall and conveys to readers—including parents and survivors of abuse—just how completely a pedophile enchants his victim and binds her to him.

At the outset of the Vietnam War, the Army created an

experimental fighting unit that became known as "Tiger Force." The Tigers were to be made up of the cream of the crop-the very best and bravest soldiers the American military could offer. They would be given a long leash, allowed to operate in the field with less supervision. Their mission was to seek out enemy compounds and hiding places so that bombing runs could be accurately targeted. They were to go where no troops had gone, to become one with the jungle, to leave themselves behind and get deep inside the enemy's mind. The experiment went terribly wrong. What happened during the seven months Tiger Force descended into the abyss is the stuff of nightmares. Their crimes

Make You Smile Again

were uncountable, their madness beyond imagination—so much so that for almost four decades, the story of Tiger Force was covered up under orders that stretched all the way to the White House. Records were scrubbed, documents were destroyed, men were told to say nothing. But one person didn't follow orders. The product of years of investigative reporting, interviews around the world, and the discovery of an astonishing array of classified information, Tiger Force is a masterpiece of journalism. Winners of the Pulitzer Prize for their Tiger Force reporting, Michael Sallah and Mitch Weiss have uncovered the last great secret of the Vietnam War.

When Tiger-Tiger becomes unhappy and thinks life is unfair, a wise turtle asks him four questions that change Tiger-Tiger's perspective on life.

Two tiger cub brothers are torn from the jungle and taken to Rome. The stronger cub is trained as a killer at the Coliseum. Emperor Caesar makes a gift of the smaller cub to his beautiful daughter, Aurelia. She adores her cub, Boots. Julius, a young animal keeper, teaches Aurelia how to earn Boots's trust. Boots is pampered while his brother, known as Brute, lives in the cold and darkness, let out only to kill. Caesar trusts Julius to watch Aurelia and her prized pet. But when a prank backfires, Boots

temporarily escapes and Julius must pay with his life. Thousands watch as Julius is sent unarmed into the arena to face the killer Brute.

The astonishing true story of the man-eating tiger that claimed a record 437 human lives "Thrilling. Fascinating. Exciting." —Wall Street Journal □ "Riveting. Haunting." —Scientific American
Nepal, c. 1900: A lone tigress began stalking humans, moving like a phantom through the lush foothills of the Himalayas. As the death toll reached an astonishing 436 lives, a young local hunter was dispatched to stop the man-eater before it struck again. This is the extraordinary true story of the "Champawat Man-Eater," the

Read Free Tiger Tiger Is It True Four Questions To

deadliest animal in recorded history. One part pulse-pounding thriller, one part soulful natural history of the endangered Royal Bengal tiger, *No Beast So Fierce* is Dane Huckelbridge's gripping nonfiction account of the Champawat tiger, which terrified northern India and Nepal from 1900 to 1907, and Jim Corbett, the legendary hunter who pursued it. Huckelbridge's masterful telling also reveals that the tiger, Corbett, and the forces that brought them together are far more complex and fascinating than a simple man-versus-beast tale. At the turn of the twentieth century as British rule of India tightened and bounties were placed on tiger's heads, a tigress was shot in the mouth by a

Read Free Tiger Tiger Is It True Four Questions To

poacher. Injured but alive, it turned from its usual hunting habits to easier prey—humans. For the next seven years, this man-made killer terrified locals, growing bolder with every kill. Colonial authorities, desperate for help, finally called upon Jim Corbett, a then-unknown railroad employee of humble origins who had grown up hunting game through the hills of Kumaon. Like a detective on the trail of a serial killer, Corbett tracked the tiger's movements in the dense, hilly woodlands—meanwhile the animal shadowed Corbett in return. Then, after a heartbreaking new kill of a young woman whom he was unable to protect, Corbett followed the gruesome blood trail deep into

Read Free Tiger Tiger Is It True Four Questions To

the forest where hunter and tiger would meet at last. Drawing upon on-the-ground research in the Indian Himalayan region where he retraced Corbett's footsteps, Huckelbridge brings to life one of the great adventure stories of the twentieth century. And yet Huckelbridge brings a deeper, more complex story into focus, placing the episode into its full context for the first time: that of colonialism's disturbing impact on the ancient balance between man and tiger; and that of Corbett's own evolution from a celebrated hunter to a principled conservationist who in time would earn fame for his devotion to saving the Bengal tiger and its habitat. Today the Corbett Tiger Reserve preserves 1,200 km of

360-degree portrait of golf's most scrutinized figure...brimming with revealing details" (Golf Digest). In 2009, Tiger Woods was the most famous athlete on the planet, a transcendent star of almost unfathomable fame and fortune living what appeared to be the perfect life. But it turned out he had been living a double life for years—one that exploded in the aftermath of a Thanksgiving night crash that exposed his serial infidelity and sent his personal and professional lives over a cliff. In this "searing biography of golf's most blazing talent" (GOLF magazine), Jeff Benedict and Armen Keteyian dig deep behind the headlines to produce a richly reported answer to the question that has mystified millions of
