I've never felt the need to live in the past. But sometimes, I still find myself thinking about Big being rushed the hospital, and I break down in tears. It's not just because we hung up on each other during what would be our last telephone conversation. And it's not because I am raising our son, a young man who has never known his

father. It's partly all of those things. But mainly it's because he wasn't ready to go. His debut album was called Ready to Die. But in the end, he wasn't. Big never got a chance to tell his story. It's been left to others to tell it for him. In making the decision to tell my own story, it means that I've become one of those who can

give insight to who Big really was. But I can only speak on what he meant to me. Yet I also want people to understand that although he was a large part of my life, my story doesn't actually begin or end with Big's death. My journey has been complicated on many levels. And since I am always linked to Big, there are a lot of
