Deep in the Adirondack Mountains lies a speck of a town called Rangeley. There isn't much to this tiny town, but it is at the crossroads of serene fishing streams off the Mink River, pristine hunting grounds in the surrounding mountains, and vast estates of the extremely rich. It is also the gateway to the Mohawk Club, which houses the Lost Boys, an exclusive group of wealthy and powerful men with global influence and a taste for depravity. Raised wild and poor in the shadows of the Mohawk Club, Evie Quimby was a teenager when she first fell victim to the Lost Boys. Seventeen years later, she is now a world-renowned art restorer famous for repairing even the most-broken statues. After spending half her life in Paris, establishing her reputation and raising her daughter Chloé, Evie has come a long way from the girl who left Rangeley behind. But when Chloé receives a visit from an elegant stranger who claims to be an old friend of her mother's, the ghosts of Evie's past return in full force, pulling her back to the North Country of her girlhood and into the tangled, intricate web of the Lost Boys. Evie bands together with her formidable mother and an embattled heiress, both victims of the Lost Boys, in pursuit of an unusual and heart-stopping vengeance.

Two lonely towns in Colorado: Hope and Despair. Between them, twelve miles of empty road. Jack Reacher never turns back. It's not in his nature. All he wants is a cup of coffee. What he gets is big trouble. So in Lee Child's electrifying new novel, Reacher—a man with no fear, no illusions, and nothing to lose—goes to war against a town that not only wants him gone, it wants him dead. It wasn't the welcome Reacher expected. He was just passing through, minding his own business. But within minutes of his arrival a deputy is in the hospital and Reacher is back in Hope, setting up a base of operations against Despair, where a huge, seething walled-off industrial site does something nobody is supposed to see . . . where a small plane takes off every night and returns seven hours later . . . where a garrison of well-trained and well-armed military cops—the kind of soldiers Reacher once commanded—waits and watches . . . where above all two young men have disappeared and two frightened young women wait and hope for their return. Joining forces with a beautiful cop who runs Hope with a cool hand, Reacher goes up against Despair—against the deputies who try to break him and the rich man who tries to scare him—and starts to crack open the secrets, starts to expose the terrifying connection to a distant war that's killing Americans by the thousand. Now, between a town and the man who owns it, between Reacher and his conscience, something has to give. And Reacher never gives an inch.

But when he gets to Carter Crossing, he finds layers no one saw coming, and the investigation spins out of control. Local sheriff Elizabeth Deveraux has a thirst for justice—and an appetite for secrets. Uncertain they can trust one another, Reacher and Deveraux reluctantly join forces. Reacher works to uncover the truth, while others try to bury it forever. The conspiracy threatens to shatter his faith in his mission, and turn him into a man to be feared. A novel of unrelenting suspense that could only come from the pen of #1 New York Times bestselling author Lee Child, The Affair is the start of the Reacher saga, a thriller that takes Reacher—and his readers—right to the edge. . . . and beyond.
