This book of adventure is going to help you learn about something called social studies. Social studies is about people and places around the world. We will talk about what people eat, where our food comes from, how governments are set up, the symbols on flags from different countries and what they mean, how God teaches us to love the people of the world like He does, and much more. The language of this book is English, but we ' ll share some Italian and Chinese words with you too! My Story, My Country, My World is a course for lower elementary students. It includes basic introductions to history, politics, economics, sociology, and geography, with the ultimate aim of teaching a comprehensive understanding of God ' s world and the cultures of each country. This is a daily adventure-based curriculum series that encourages families to explore the world together through four nine-week quests and to understand it better from God ' s perspective. It is designed with elements that make weekly learning fun and interactive, including: Thankful Time!Government Time!God's Creation Time!My Story Journal It ' s time to explore God ' s world and to learn more about others... and more about you too! Get your Quest Collector Cards ready. Each card includes your world map showing the path of each of your four journeys.

As a more economical alternative to the standard hardbound edition, this softbound version of Egermeier's Bible Story Book brings you all the same text, artwork and study guides (minus the expanded map section).

**BIG BOOK OF HISTORY** Learning Just Became BIG FUN! Families, schools, and churches can unfold 15 feet of the most interesting history of the world. This easy to follow, color-coded, multi-stream timeline teaches six thousand years of world history to children ages seven through thirteen. These exciting facts and so much more wait inside: who were the first emperors of China and Rome what discovery unlocked the secrets of a forgotten language how modern robotics had its roots in the tea dolls of Japan where Christians faced death for the entertainment of thousands why the languages of Greek and Hebrew were used to write the Bible and how the Age of Discovery meant wealth some, and the destruction of civilization for others. Understanding how the past has shaped our future will inspire young learners to make history for themselves!

Enjoy this story-based course featuring Claire and Micah, designed to engage your young learner and strengthen their reading and writing skills. Real world examples and applications are the focus as they practice reading, apply grammatical skills, and increase their vocabulary. Complete with helpful illustrations and guides, this book will teach your student paragraph structure, compound words, contractions, sentence combining, helping verbs, prepositions, and more! This language arts series adapts Charlotte Mason ideas for the modern homeschool student, complete with character-building themes. Each quarter has five stories, two picture studies (one of which is Bible-based), and two poems (one of which is a Psalm). Using the spelling words and the Dictionary Worksheets, students will create their very own dictionary as they move week by week through the material. Develops reading and narration skills as well as writing mastery of multisentence paragraphs. A creation devotional for children ages 6-10, which shows detailed, pen and ink illustrations of animals - mammals, insects, birds - paired with a description of each, then an application for the youthful reader. In exploring God ' s awesome nature, it is helpful for children to understand God ' s design for them. For example, just as the monarch butterfly emerges from a cocoon to soar to heights above the clouds, so too can we all rest in the knowledge that God has made each of us special, and He has great love and a plan for us.
