Wow about sums up this book for several reasons. Complex and fast moving plotting; a dedicated, intelligent, and honest protagonist (a chief superintendent); beautifully written descriptions of the setting, including Carrara; and a realistic, if absolutely chilling, study of the evils of modern Italy (and other countries) plagued by the drug trade, sexual slavery of children, pedophilia, and ...

In the picturesque Tuscan hill town of Scandicci, the body of a girl is discovered. Scantily dressed, she is lying by the edge of the woods. The local police investigate the case - but after a week, they still haven't even identified her, let alone got to the bottom of how she died. Frustrated by the lack of progress, Chief Superintendent Michele Ferrara, head of Florence's elite Squadra Mobile, decides to step in. Because toxins were discovered in the girl's body, many assumed that she died of a self-inflicted drugs overdose. But Ferrara quickly realises that the truth is darker than that: he believes that the girl was murdered. And when he delves deeper, there are many aspects to the case that convince Ferrara that the girl's death is part of a sinister conspiracy - a conspiracy that has its roots in the very foundations of Tuscan society... Ferrara must face his demons. *Death Under a Tuscan Sun* is an incredibly gripping and atmospheric work of detective fiction, written with incomparable authenticity by former Florentine police chief Michele Giuttari. Originally published in Italian as *Il Cuore Oscuro di Firenze*.

A bomb explodes in the centre of Florence, hitting the car of Chief Superintendent Michele Ferrara of the elite Squadra Mobile. The attack rocks the ancient city to its foundations. Ferrara was clearly the target - and he did, after all, just controversially imprison notorious Mafia boss Salvatore Laprua. A week later, another bomb explodes - bringing tragedy for Ferrara and a determination to find the culprit. But that same morning, Salvatore Laprua is found dead in his prison cell. So who is the mysterious influence behind the bombings - someone even the Mafia fear? An ingenious, gripping mystery, *The Death of a Mafia Don* has been a bestseller in Italy and across Europe. Written by former Florence police chief Michele Giuttari, it offers a fascinating insight into the secret world of the Mafia, and life in Florence. Originally published in Italian as *Il Basilico*.

Chief Superintendent Michele Ferrara knows that the beautiful surface of his adopted city, Florence, hides dark undercurrents. When called in to investigate a series of brutal and apparently random murders, his intuition is confirmed. Distrusted by his superiors and pilloried by the media, Ferrara finds time running out as the questions pile up. Is there a connection between the murders and the threatening letters he has received? Are his old enemies, the Calabrian Mafia, involved? And what part is played by a beautiful young

woman facing a heart-rending decision, a priest troubled by a secret from his past, and an American journalist fascinated by the darker side of life? Ferrara confronts the murky underbelly of Florence in an investigation that will put not only his career but also his life on the line. Originally published in Italy as Scarabeo.

This is a fast-paced and colorful exploration of the life of Matilda of Canossa (c. 1046-1115), the woman who loved a pope and was loved by him, successfully defied the Holy Roman Emperor, and changed the map of Europe. A new kind of history, this biography also carries the flavor of present-day Italy. Matilda of Canossa, the "Great Countess," was a remarkable woman. Her personal power was so extraordinary that even centuries after her death she became the first woman to be interred in St. Peter's Basilica. She is best remembered for her role in the conflict between the papacy and the Holy Roman emperor, the climax of which took place at her castle of Canossa. This unique biography is also a journal of the author's travels through contemporary Tuscany as she explores the palaces where Matilda held court, the blood-stained plains on which her soldiers battled, the churches and cathedrals she endowed, and the fortified aeries where she sought refuge. Readers will be swept along on this engrossing journey retracing the steps of a courageous and brilliant woman.

Four women meet regularly for conversation over food and wine. Four women share their lives, their struggles, and their hopes for the future. Mourning the loss of his wife, Rita, former NYPD homicide detective Nico Doyle moves to her hometown of Gravigna in the wine-soaked region of Chianti. Half-Italian and half-Irish, Nico finds himself able to get by in the region with the help of Rita's relatives, but he still feels alone and out of place. He isn't sure if it's peace he's seeking, but it isn't what he finds. Early one morning, he hears a gunshot near his cabin and walks out to discover a dead body in the woods, flashily dressed in gold tennis shoes. A small white dog at the scene won't leave Nico alone, so he lies to the police and claims to be its owner. Salvatore Perillo, the local maresciallo, enlists Nico's help with the murder case. It turns out more than one person in this idyllic corner of Italy knew the victim, and with a very small pool of suspects, including his own in-laws, Nico must dig up Gravigna's every last painful secret to get to the truth.
