Updated and revised for 2019! Do you know someone who will soon be getting or has recently obtained their driver's license that makes you think twice about going out on the road? Maybe a friend or family member who is a notoriously bad driver who is constantly getting into car accidents? This gag driver's education book is the perfect way to tell them that you care and secretly fear them. In the New Driver's Guide to Things to NOT Crash Into, we focus on some very basic driving fundamentals, such as: What is a car? What are those round things at the bottom Where does it belong? In the second portion of the book we walk through dozens of examples of people, places and things that should not be crashed into at any time. We also take care to sarcastically explain reasons why these items are firmly on the DO NOT CRASH INTO list. Some practical examples for newly licensed drivers are: People Other cars Trees Houses Icebergs Mountains Creepy Garden Gnomes And many more! Pick up a copy for new driver in your family or circle of friends who will appreciate a good gag book and get a few good laughs as they learn to become safe and responsible drivers.

Driving is the most dangerous thing each of us does on a daily basis - and yet the average learner receives just eighteen hours' training - less than a Starbucks barista. In this inspirational, fully illustrated, highly entertaining book, former Top Gear star Ben Collins uses his super-charged experience of racing, stunt-work and cutting-edge scientific knowledge to tell you all of the things you didn't learn on your test - and in the process will make your driving safer, more economical and a lot more enjoyable. The skills described in How to Drive, from skid control to gear changes that are as smooth as a cashmere codpiece, have been honed on racing tracks by the greatest drivers in the world. This is the stuff your instructor missed, your dad forgot and your mates pretend to know . . . but don't. Packed with illustrations, gobsmacking driving anecdotes, humour and wisdom, this is the ultimate book for anyone who wants to be better at something they do every day of their life. The world population of motor vehicles exceeded a billion a couple of years ago. Let's make sure their owners understand how to use them.
