Fat cat ' s owner desperate for people to stop feeding her ...

This has been a year of huge events and milestones, from the coronavirus pandemic to the election of the first woman vice president. How will 2020 be remembered and analyzed in the years to come?

Created to make the Twelve Step program more accessible to women and the way they experience addiction, this book illuminates each step to reveal the underlying meaning from a woman's viewpoint. In the second part, the author discusses major themes in the lives of recovering women, including spirituality, powerlessness, and the emergence of the feminine soul.

Come Home ~ Body, Self and Soul In this engaging, empowering and honest book, inspirational speaker and facilitator of women ' s spiritual awakening Leela Francis shares the forests, peaks, and valleys of her wild and wonderful way home. You ' ll also be moved by the wisdom and stories of her clients who dared to touch deeply into their own rich life tapestries to emerge stronger, more vibrant, and more vividly their true selves. If you ' re ready to midwife your own rebirth, release the chains of self-judgment, be in authentic dialogue with your body, and find delight in who you are, the Vividly Woman Embodiment System will map out a clear and traceable odyssey for your personal expansion. You will learn how to • access your embodied wisdom as you claim your Sensual, Emotional, and Intuitive power; • ignite and sustain energy radiance through the five Vividly Woman textures; and • discover the gift of the three Vividly Woman lenses as tools of personal inquiry to weave your glorious way back home. " Welcome Home! Leela Francis and her story are the fuel that will launch a thousand stories. Women are hungry, longing, for authenticity. Leela provides this rare commodity in a world lacking feminine power. She will lead you home. " Caroline Muir, founder of the Divine Feminine Institute for Men and Women and coauthor of the best-selling Tantra: The Art of Conscious Loving

Author gives an account of her husband's life and of his expedition of 1903 to central Labrador, and of her own expedition from Lake Melville to Ungava Bay in 1905. Diary of Leonidas Hubbard, July-October 1903, and of his companion George Elson, October 1903-May 1904.

Doris Ashley left Iowa and came to Montana as the frontier era came to a close and the hard transition to the modern West began. In 1925, already a widow at the age of twenty-four, she took a job as “cheap help” in Glacier National Park and thus began a lifelong affair with Montana’s landscape, wildlife, and people. Doris soon met the love of her life, native son Dan Huffine, another park worker with an abiding love for the region. Together, they shared many adventures over the next sixty years, helping to shape the character of northwest Montana and participating in the growth of Glacier Park on both sides of the Continental Divide. Between them, the Huffines shared stints as backcountry park ranger, driver of the classic red tour buses in the park, and cook for the crew that did the perilous work surveying the famous Going-to-the-Sun Road. The couple operated tourist camps along the Glacier Park boundary and became co-proprietors of the Huffine Montana Museum. Many people considered the couple endearingly eccentric, and for good reason, as they kept skunks, badgers, coyotes, bears, a mountain goat, and a beaver as pets. The Huffines were also world-class raconteurs, and enjoyed telling their tales later in life to author John Fraley, who shared their love of the outdoors and of Glacier Park. Using many hours of tape recordings, numerous journals, and a great deal of research, Fraley has pieced together the story of Doris’s early life in Iowa, her fateful meeting with Dan, and their love story, which is also very much a work story—a tale of building a life together while at the same time helping to shape the “Crown of the Continent” region.

"This book is a must for any woman who wants to connect with her deepest resources for empowerment and healing." -- Marija Gimbutas

A fresh interpretation of the healing process established by the Twelve Steps, with an eye toward the social, cultural, and psychological factors that affect men--and thus their recovery from addiction. In *A Man's Way through the Twelve Steps*, author Dan Griffin uses interviews with men in various stages of recovery, excerpts from relevant Twelve Step literature, and his own experience to offer the first holistic approach to sobriety for men. Readers work through each of the Twelve Steps, learn to reexamine negative masculine scripts that have shaped who they are and how they approach recovery, and strengthen the positive and affirming aspects of manhood. This groundbreaking book offers the tools needed for men to work through key issues with which they commonly struggle, including difficulty admitting powerlessness, finding connection with a Higher Power, letting go of repressed anger and resentment, contending with sexual issues, and overcoming barriers to intimacy and meaningful relationships. *A Man's Way through the Twelve Steps* offers practical advice and inspiration for men to define their own sense of masculinity and thus heighten their potential for a lifetime of sobriety.

“As pragmatic as it is compassionate, this intimate, humorous, and ultimately relaxing invitation to re-wild yourself, stripping away all that is not your true nature, will leave you inspired and curious to discover the wild woman within” (Lissa Rankin, MD, New York Times bestselling author of *Mind Over Medicine*). For the high-achieving modern woman today, having a successful career, a fulfilling romantic relationship, and a satisfying personal life can feel like opposing goals. It has even become difficult to take the time to enjoy the simple pleasures in lives. We are stuck in “go-mode,” damaging our romantic relationships, pleasure, and creativity. But what if there were a way to experience the simplest pleasures of our lives on a deeper level, freeing the body and psyche from these destructive patterns? Beyond our current stereotypes about femininity lies the ancient wisdom of the Wild Woman archetype, a model of building a feminine “body intelligence.” By embodying this archetype and using tantra—not just in the bedroom, but also to build intimate connections to our senses and physical movements—we can break harmful psychological patterns. In *The Wild Woman’s Way*, Michaela Boehm shares practical rituals and exercises drawn from years of experience as a celebrity relationship and life counselor and an expert in tantric yoga. She reveals the power of different types of touch, while also training you in forms of meditation and stretching that increase activity and sensual pleasure.

Twelve Step Sponsorship is the first truly comprehensive look at sponsorship, a role recovering people benefit from both as sponsees and ultimately as sponsors. Sponsorship is a rich and enduring part of tradition of Alcoholics Anonymous. *Twelve Step Sponsorship* delivers both the theory and practice--how to do it and why--in a clear, step-by-step presentation. Written by the author of *Getting Started in AA*, a widely acclaimed guide for the newcomer to the program of AA, *Twelve Step Sponsorship* is the first truly comprehensive look at sponsorship, a role recovering people benefit from both as sponsees and ultimately as sponsors. *Twelve Step Sponsorship* includes informative sections that deal with: finding a sponsor and being a sponsor. *Twelve Step Sponsorship* offers a welcome reinforcement to the tradition of “passing it on” from one generation of sponsors to the next.

A fresh resource to help those in recovery from addiction find their own spiritual path through the Buddhist practice of mindfulness. For those of us in recovery, *Mindfulness and the 12 Steps* offers a fresh approach to developing our own spiritual path through the Buddhist practice of mindfulness, or bringing one's awareness to focus on the present moment. We can revisit each of the Twelve Steps, exploring the interplay of ideas between mindfulness and Twelve Step traditions--from the idea of living “one day at a time” to the emphasis on prayer and meditation--and learn to incorporate mindfulness into our path toward lifelong sobriety. Through reflections, questions for inquiry, and stories from Buddhist teachers and others who practice mindfulness in recovery, *Mindfulness and the 12 Steps* will help us awaken new thinking and insights into what it means to live fully--body, mind, and spirit--in the here and now.

A practical guide to letting go of the character defects that get in the way of true and joyful recovery. Resentment. Fear. Self-Pity. Intolerance. Anger. As Bill P. explains, these are the “rocks” that can sink recovery- or at the least, block further progress. Based on the principles behind Steps Six and Seven, *Drop the Rock* combines personal stories, practical advice, and powerful insights to help readers move forward in recovery. The second edition features additional stories and a reference section.
