Kombucha and beer is not only a thing, it's pretty good too. Source:Supplied There's been a few weird new drinks taking off this year and not all of them have been great.

As a journalist spurred by curiosity and thirst, Lucy Burningham made it her career to write about craft beer, traveling to hop farms, attending rare beer-tasting parties, and visiting as many taprooms, breweries, and festivals as possible. With this as her introduction, Lucy decided to take her relationship with beer to the next level: to become a certified beer expert. As Lucy studies and sips her way to becoming a Certified Cicerone, she meets an eclectic cast of characters, including brewers, hop farmers, beer sommeliers, pub owners, and fanatical beer drinkers. Her journey into the world of beer is by turns educational, social, and personal—just as enjoying a good beer should be.

No ordinary collection of must-taste beers, A Beer a Day looks to unearth the links between beer and the world we live

Access Free A Year Of Good Beer Page A Day Calendar 2017

in our history, traditions, customs, and culture. Readers are guided through the maze of labels, selecting beers that don't just taste great, but also have a story to tell. The simple page-a-day diary format includes an easy reference for the beer, its country of origin, the day's date, and its linked event. For each day, a beer is recommended that draws attention to events that have taken place or that still take place on that day. From seasonal beers produced to celebrate such occasions as Valentine's Day and Halloween, to those honoring the good and the great from history, A Beer a Day has a beer for every story and a story for every beer.

For everything there is a season — and beer is no exception. Best-selling author Randy Mosher leads you on a delicious tour of beer-tasting opportunities throughout the year, guiding you through all the best seasonal beer releases and festivals. Discover which beers are best to drink on warm spring afternoons or icy winter nights, and learn to make the most out of Craft Beer Week and Oktoberfest. Fun, fresh, and full of insider information, Beer for All Seasons will have you enjoying the varied delights of your favorite beverage year-round.

As the place where American microbrewing was born, the West Coast has become the epicenter of a brewing revolution. America is now home to more beer styles than anywhere else in the world and our flourishing brewing industry has a growing reputation for quality and innovation. This authoritative and entertaining guide to the breweries, brewpubs, and bars of the West Coast, Alaska, and Hawaii, is written by two experienced British beer writers who have spent considerable time traveling in the U.S. and developing an infectious enthusiasm for our exciting beers and brewing scene. Also included are sections on West Coast history,

Access Free A Year Of Good Beer Page A Day Calendar 2017

American brewing, and the story of the brewpub.

The man behind Mikkeller brewery offers his guide to the best beers. Discover how he got started in the business, and learn about the ever-growing Nordic beer revolution with its fascinating origins. Then find out everything you have ever wanted to know about this highly versatile drink with an in-depth look at various beer types and the intrinsic differences between them. Drawing on his years of experimenting with tastes, textures and techniques in the art of beer brewing, Mikkel offers you his own extraordinary insights into the processes behind your favourite beers. Starting with the basics, discover how to make beer at home with easy-to-follow recipes that cover many of the sought-after brews that Mikkeller and his friends have become known for. In addition to this, learn about how to taste beer and understand its flavours. With a chapter dedicated to food, Mikkel offers an alternative to wine with meals and teaches us which beers work best with what foods, as well as providing us with a few tasty recipes of his own.

An indispensable guide for the beer lover--where to visit, when to go, what to drink, and everything in between. Finally--a beer-centric bucket list! Celebrating beer worldwide, this is a must-have for any beer aficionado. Whether you're planning a pub crawl, a weekend in the country, or a longer vacation, this book is a trove of ideas for the beer lover. As is to be expected, this lively guide to beer-related travel contains a comprehensive list of hundreds of breweries large and small--both long-standing and freshly minted--that are open for tours and tastings along with an in-depth look at their different approaches to brewing, philosophies about flavors and ingredients, and what makes their beers special. But this book digs deep into the world of beer and includes a

Access Free A Year Of Good Beer Page A Day Calendar 2017

multitude of ideas for exploring the world's best beer destinations: the Pacific Northwest's gleaming modern taprooms; atmospheric English pubs; iconic breweries including San Francisco's Anchor Steam and the Czech Republic's original Pilsner; boisterous festivals from Munich's Oktoberfest to Denver's Great American Beer; and other points of interest such as Germany's pop-up beer gardens or a pub crawl in Dublin where you can hoist a Guinness at James Joyce's favorite pub. The book is liberally illustrated with atmospheric photos and reproductions of beer labels and logos and includes information on beer styles, food and beer pairings, drinking traditions, glassware, and a primer on brewing.

What do you get when you cross a journalist and a banker? A brewery, of course. "A great city should have great beer. New York finally has, thanks to Brooklyn. Steve Hindy and Tom Potter provided it. Beer School explains how they did it: their mistakes as well as their triumphs. Steve writes with a journalist's skepticism-as though he has forgotten that he is reporting on himself. Tom is even less forgiving-he's a banker, after all. The inside story reads at times like a cautionary tale, but it is an account of a great and welcome achievement." □Michael Jackson, *The Beer Hunter*(r) "An accessible and insightful case study with terrific insight for aspiring entrepreneurs. And if that's not enough, it is all about beer!" □Professor Murray Low, Executive Director, Lang Center for Entrepreneurship, Columbia Business School "Great lessons on what every first-time entrepreneur will experience. Being down the block from the Brooklyn Brewery, I had firsthand witness to their positive impact on our community. I give Steve and Tom's book an A++!" □Norm Brodsky, Senior Contributing Editor, Inc. magazine "Beer School is a useful and entertaining book. In essence, this is

Access Free A Year Of Good Beer Page A Day Calendar 2017

the story of starting a beer business from scratch in New York City. The product is one readers can relate to, and the market is as tough as they get. What a fun challenge! The book can help not only those entrepreneurs who are starting a business but also those trying to grow one once it is established. Steve and Tom write with enthusiasm and insight about building their business. It is clear that they learned a lot along the way. Readers can learn from these lessons too." □Michael Preston, Adjunct Professor, Lang Center for Entrepreneurship, Columbia Business School, and coauthor, *The Road to Success: How to Manage Growth* "Although we (thankfully!) never had to deal with the Mob, being held up at gunpoint, or having our beer and equipment ripped off, we definitely identified with the challenges faced in those early days of cobbling a brewery together. The revealing story Steve and Tom tell about two partners entering a business out of passion, in an industry they knew little about, being seriously undercapitalized, with an overly naive business plan, and their ultimate success, is an inspiring tale." □Ken Grossman, founder, Sierra Nevada Brewing Co.

In addition to hundreds of amazing beer facts and trivia, this compendium also offers serious and authoritative information about where to buy the best tasting brews, homebrewing, beer festivals, and more. Illustrations.

A guide to enjoying vintage beers explains how to plan and set up a beer cellar, what to look for when tasting aged beers, and the science behind the aging process.

A full-color, lushly illustrated graphic novel that recounts the many-layered past and present of beer through dynamic pairings of pictures and meticulously researched insight into the history of the world's favorite brew. Starting from about

Access Free A Year Of Good Beer Page A Day Calendar 2017

7,000 BC, The Comic Book Story of Beer traces beer's influence through world history, encapsulating early man's experiments with fermentation, the rise and fall of Ancient Rome, the (often beer-related) factors that led Europe out of the Dark Ages, the Age of Exploration, the spread of capitalism, the Reformation, and on up to the contemporary explosion of craft brewing. No book has ever told the story of beer in a graphic format as a liberating or emancipating force that improved the life of everyday people. Visually riffing on abstract subjects like pasteurization, "original gravity," and "lagering," artist Aaron McConnell has a flair for cinematic action and demonstrates versatility in depicting characters and episodes from beer's rich history. Hand-drawn in a classic, accessible style, The Comic Book Story of Beer makes a great gift, and will appeal to the most avid comic book geek and those who live for beer.
