Prayer is not easy, yet learning to pray can be learned. *The Beautiful Work of Learning to Pray* is a brief but probing guide into the life of prayer. James Howell examines the many barriers to prayer (such as our busyness, how uncomfortable with silence we are, our doubts and fears) and invites the reader to take a fresh approach to the devotional life. Each lesson begins with a scripture passage and the author draws comfortably and appropriately from a rich array of other sources (Annie Dillard, St. Augustine, Henri Nowen, Kathy Mattea, Madeleine L'Engle, Dietrich Bonhoeffer, St. Francis, Oscar Romero, and the movie *Good Will Hunting* are a sampling.) The author's own engaging writing style, including his ability to illumine his ideas with the shared wisdom of others, is a major strength of this book. While each "lesson" is only two book pages long, the author draws from a deep well of wisdom about prayer. Howell leads the reader through the "subjects" of prayer (e.g. praise, confession, giving thanks), and digs deeply into theological issues such as whether prayer works, prayer and suffering, and forgiveness. According to the author, "In the end, prayer draws us into community with others-- out of our "curved in" lives and into the world in service." *The Beautiful Work of Learning to Pray* will be helpful to the novice in spiritual life as well as long-time Christians who are striving for a more profound relationship with God. Includes Study Guide, List of Sources, and Scripture Index.

Titley examines two of Austin Farrer's major texts : his 1948 Bampton Lectures, published as *The Glass of Vision*, and his *A Study in St Mark* (1951).

The author's most famous and well-loved work, the *Starbridge* series, six self-contained yet interconnected novels that explore the history of the Church of England through the 20th century.

*A Light in a Burning-Glass* introduces readers to the distinctive synthesis of theological reflection and everyday faith that characterizes the life and theology of Austin Farrer (1904-1968), a man widely considered to be the most important Anglican theologian of the twentieth century. Often quoted for isolated insights but rarely appreciated for his depth and coherency, Farrer is a theologian who, according to Robert Boak Slocum, is fascinating to consider but difficult to master. In this survey and explanation of the Anglican leader's prodigious output and complexity of thought, Slocum sorts through Farrer's many writings to articulate his theological vision. Slocum delves into Farrer's treatises, essays, lectures, correspondence, and reviews in an exploration of his three primary areas of theological concern: pastoral, biblical, and philosophical. Noting that few theologians have published so many significant works in such varied areas of theological study, Slocum maps the connectedness of thought that unites Farrer's works. Slocum moves from a basic study of Farrer's background and methodology to a consideration of his major themes: Christian hope, the problem of evil, the role of image and imagination in Christian faith, the use of literary methods in the interpretation of theology, and the interplay of divine action and human freedom in the Christian life.

Is Christianity a bland, domesticated religion, unthreatening and easy to grasp? Or is it the most exotic, unexpected, and uncanny of religious paths? For the mystics and saints -- and for Robert Barron who discovered Christianity through them -- it is surely the strangest way. "At its very center," writes Barron, "is a God who comes after us with a reckless abandon, breaking open his own heart in love in order to include us in the rhythm of his own life." What could be more compelling?

Living by a biblical faith requires of us a yes, a yes to the God continuously present to us within the life opportunities continuously offered us. Questions of 'belief', in contrast, require a yes 'and' no. Genuine faith, declares Brother David Steindl-Rast, holds its beliefs firmly, yes, but ever so lightly. And the I 'don't' mean maybe!? This has to do with the intensity in our questioning. Our ultimate concern, after all, is living a relationship in which we know ourselves not just as those who ask questions but as those who 'are' the question, and seek to know God not just as the one who gives answers but the one who 'is' the answer. This book consists . . . of a series of questions about basic Christian beliefs, the answers to which have been, and continue to be, controversial. Each chapter will try to make clear why the answer to its particular question has to be a yes 'and' no and how the response can also include, nevertheless, an emphatic And I 'don't' mean maybe! For those with some knowledge of Christianity but finding themselves confused about certain beliefs they have been led to identify as Christian, this book can provide a greater clarity in their understanding of this familiar yet strange religion--thus addressing, perhaps, what pollster George Gallup, Jr., identifies as the knowledge gap in the religious experience of Americans: the often vast difference between Americans' stated faith and their lack of the most basic knowledge about that faith. Non-Christians may find here a useful survey of Christian belief presented in nontechnical style and noncoercive rhetoric.

Young, lonely, and insecure, Alice Fletcher is on the verge of emotional collapse when she stumbles into St. Benet's Church to dodge the London drizzle. There, she witnesses a group of gifted healers led by the charismatic Nicholas Darrow. Gaining refuge at last, Alice is drawn--inexorably, seductively--into the complex network of relationships at St. Benet's healing center--as she falls immediately, dangerously, in love with Darrow himself. Yet Darrow and his cutting-edge clergy are not all what they seem. And while Nicholas's dazzling powers now threaten to ruin all he attempts to save--including his own disturbed marriage--Alice's devotion to him deepens. Then a devastating tragedy transports her to the shocking center of truth. Yet fueled by her love for Nicholas and a boldly emerging intuition, she will hold together the lives spinning wildly out of control--as she herself is transformed forever.

Susan Howatch's global bestsellers have appeared regularly since the 1970s, but a radical shift in her subject matter in the 1980s and especially the 1990s made reviewers and then academics adjust their glasses and stare hard at her pages. Howatch began to take her loyal following of gothic and family-saga readers into unexpected psychological and theological depths, while taking to an extreme, with a serious-novel format, the experiments begun in her family sagas. She also introduced to her readers a character only half-alive in Trollope, the Anglican Church.

This book gives you the opportunity to surrender to God's presence and enjoy just being with Him. Find contentment, peace, and encouragement from practicing spiritual disciplines, and learn simple, tangible insights into practicing God's presence in everyday life.

The Washington Post Book World has proclaimed that "Susan Howatch may well become the Anthony Trollope of the twentieth century." Now, in *Scandalous Risks*, Howatch returns us to the English town of Starbridge, home to a great medieval cathedral and the religious, political, and sexual intrigues that whirl around it. It is into this charged atmosphere—in the already overheated 1960s—that a young woman searching for meaning in her life, and an older man prominent in the Church, begin moving inexorably toward emotional collision. As Venetia

Flaxton edges closer to the threshold of a love affair with Neville Aysgarth, who is Dean of the Cathedral and old enough to be her father, his hidden emotional past and her moral conflict in the present lead them deeper and deeper into the mysteries of the human heart and soul. Here is a powerful and moving novel of good and evil, resolve and temptation, hope and despair. Praise for Scandalous Risks  
“Wonderful.”—The Cleveland Plain Dealer “Howatch is at her best when dealing with conflict, bringing a passion and tension to her portarit of people facing moral dilemmas.”—The Washington Post “Keep[s] one turning the pages.”—The New York Times Book Review  
“Passionate.”—Entertainment Weekly
