Headly Earl Ord; Economic function studies; Economic applications; Forms of production functions; Data analysis for production function estimation; Data collection for production function estimation; Economic specification of the production function; Pork production functions for hogs fed in drylot; Milk production functions and marginal rates of substitution between forage and grain; Production function and substitution coefficients for beef; Crop response surface and economic optima in fertilizer use.

Get Free Agricultural Production Functions Heady Earl Orel

Renowned agricultural economist Earl O. Heady helped establish and directed the Center for Agricultural and Rural Development at Iowa State University, where he was a Distinguished Professor. His work in production-function analysis, farm-level programming models, and agricultural sector analysis continues to be both a foundation and an inspiration for future generations of economists. He is also recognized for his worldwide work in training students and in promoting multidisciplinary research efforts to solve
