Beatles arrived. Of the 605 songs they recorded, 113 charted. They also made 18 movies, appeared regularly on radio and television, and entertained three generations of GIs. Based on extensive research, unpublished letters, and interviews with family, friends, and colleagues, this book documents not only the lives and work of the Andrews Sisters but also the popular culture spanned by their long careers. The book contains a complete discography of their released, unreleased, and solo recordings, including recording dates, record numbers, and accompaniment.

In this electrifying bestseller, the shrewd and voluble trial lawyer Louis Nizer, who made a long career of representing famous people in famous cases, recounts some of his significant civil and criminal cases. Nizer rose to national fame with his real-life accounts of tension-filled courtrooms and the fervor of the advocate, and "My Life in Court" proved to be no exception: it rose to the top of the Times's best-

publication in 1961 and logged 72 weeks as a sales leader. The book is an in-depth collection of some of Mr. Nizer's court case success stories, including his client Quentin Reynolds' famous libel action against the columnist Westbrook Pegler, which would also become the basis of the 1963 Broadway play "A Case of Libel." Praised by critics as "entertaining and philosophically instructive, an unusual combination," Nizer's movie-like plots of real-life courtroom drama will keep you captivated until the very last page.

In the years before and after World War II, there were no bigger voices than those of the Andrews Sisters. Maxene, LaVerne, and Patty charted more top ten Billboard hits than Elvis or the Beatles and went on to become the top-selling female vocal group of all time, selling approximately 100 million records. They recorded such instant hits as "Beer Barrel Polka," "Boogie Woogie Bugle Boy," "Don't Fence Me In," and "I Can Dream, Can't I?" They dominated the music scene for fifteen years with some 600 recordings, appearances in seventeen films, cabaret performances,

sisters are now probably best remembered for their work entertaining troops in World War II. They traveled across the U.S. and to Italy and Africa, and their recording of "Boogie Woogie Bugle Boy" for the film *Buck Privates* became synonymous with the war effort. Part of the reason for the success of the Andrews Sisters was their ability to perform so many different types of music. They repeatedly achieved major hits with melodies derived from many different countries, becoming the first and most prominent artists of their time to bring ethnic-influenced music to the

"Maybe you won't like steel band. It's possible. But it's been said that the Pied Piper had a steel band helping him on his famous visit to Hamelin." steelbands have become a global phenomenon; yet, in 1957 the exotic sound and the unique image of the US Navy Steel Band was one-of-a-kind. Could calypso doom rock "n" roll? From 1957 until their disbandment in 1999, the US Navy Steel Band performed over 20,000 concerts worldwide.
