Animal Report Template. My idea behind the Animal Report Form Printable is that kids would do a report on an animal from each of the animal classes. They can then add one of the 3 cover choices (one color and two black and white for your student to color). This way kids would not only learn about a variety of animals, but would also have a grasp about the different classifications animals are divided up into.

Fans of Mary Pope Osborne's mega bestselling Magic Tree House series will love to keep their own notebook—just like Jack and Annie! This fun, full-color journal is filled with lists of things Jack and Annie have found in Frog Creek—such as squirrels, ladybugs, dandelions, and spiderwebs; places they've been in the world; and ideas for fun activities, along with plenty of space for kids to write their own lists. Includes a sticker sheet for kids to decorate their lists and highlight their favorites.

If you could have any animal's front teeth, whose would you choose? WHAT IF YOU HAD ANIMAL TEETH? takes children on a fun, informative, and imaginative journey as they explore what it would be like if their own front teeth were replaced by those of a different animal. Featuring a dozen animals (beaver, great white shark, narwhal, elephant, rattlesnake, naked mole rat, hippopotamus, crocodile, and more), this book explores how different teeth are especially adapted for an animal's survival. At the end of the book, children will discover

why their own teeth are just right for them. And they'll also get a friendly reminder to take good care of their teeth, because they're the only teeth they'll ever have. Each spread features a photograph of the animal using its specialized teeth on the left and a humorous illustrated image of a child using that animal's teeth on the right.

Lucy Calkins discusses how to teach writing and how children develop as writers; she stresses the importance of staff development for teachers of writing.

How do animals live? What do they eat? Is a human being an animal? Children have all sorts of questions about animals, and in *My Animal Book* those questions are answered. A little girl named Koko helps children think about animals and make comparisons with their own lives. There are also three intrepid explorers who go on adventures to a variety of places to find out about different species. Young readers investigate each topic by playing and learning. The book is energetic and bold in its illustration, with contributions from a variety of illustrators. It has a sense of humor, and its large format makes it feel friendly and approachable for children ages five and up.
