Baby & Toddler Books - Waterstones

Each double page has an animal one, the type of animal and a little sentence regarding the jungle book character. I also love that the book is quite dark compared to the bright baby board books you normally get, the colours are navy, dark green, etc. Overall a really good idea, well drawn, as well sturdy pages, makes it a great buy!

National Geographic spins off its best-selling Little Kids First Big Book series into engaging new board books to introduce even the littlest kids to high-quality nonfiction. These sturdy pages showcase animals and how they move, with amazing photographs, super-simple facts, and lively, age-appropriate language to keep babies and toddlers--and their grown-ups--fascinated by every colorful page. Stunning photos of wildlife in action introduce babies and toddlers to creatures that creep, crawl, hop, slither, soar, and more. Watch how fluffy and scaly creatures, both big and small, move from place to place. Designed to be the stepping stone to the popular Little Kids First Big Book series, these board books take similar subjects and distill them down to the simplest nonfiction concepts for the youngest audience. Not only will readers learn how animals move, they can also find recurring shapes and patterns in the art, while adults can keep their eyes open for occasional funny commentary from the animals. Sidebar text offers additional learning for older siblings or those ready for more complex information. With their square shape, bright and playful design, awesome photography, clear text, and cues to encourage interactive learning, the Little Kids First Board Books mirror the beloved First Big Books while taking a fresh new approach to excite a baby's sense of wonder and make learning about nature and science fun.

My First Animals: Let's Squeak and Squawk! helps kids develop first language skills by introducing them to a world of incredible animals. Each tabbed section focuses on a different category of animals, from birds to mammals to sea creatures.

Introduces a variety of animals grouped according to different characteristics, such as swimmers, babies, giants, climbers, and noisy animals. On board pages.

No one has drawn animals with as much warmth, humor, and realism as Garth Williams, who illustrated the beloved classics Charlotte's Web, Stuart Little, and the Little House on the Prairie series. This classic Little Golden book—with piglets, kittens, calves, and bunnies, and a simple, humorous story—is one of his best. Loved for generations, this warm and fuzzy classic is sure to delight a new crop of young Little Golden Book fans.

With bright pictures and simple labels, My Little Book of Animals will make a fabulous addition to your child's early learning library. This classic, Priddy title is a step on from a first words book and will help your toddler to develop their vocabulary and strengthen their language skills. With colorful photographs of animals your child will recognize, labeled simply and clearly, there is plenty for toddlers to explore in this engaging board book. The rainbow-colored, stepped edges make it easy for little hands to turn the page and encourages toddlers to discover each section. Also available: My Little Book of Words.

Más de 300 primeras palabras esenciales acompañadas de fotografías en color, convierten a este libro en un método divertido para fortalecer al vocabulario de sus hijos.

Roar, ribbit, squeak, snore! Children will love imitating the noises made by creatures in the wild, from lions to dolphins to frogs and more. Illustrated with charming photographs, these sturdy pages showcase wild animals and the sounds they make with supersimple facts and lively, age-appropriate language to keep babies and toddlers--and their grown-ups--fascinated by every colorful page. Designed to be the stepping-stone to the best-selling National Geographic Little Kids First Big Book series, the Little Kids First Board Book series takes similar subjects and distills them down to the simplest nonfiction concepts for the youngest audience.
